"But Not in the Same Way"

On June 7 at a combined baccalaureate and commencement, 124 Seniors received their diplomas. The address was given by the Reverend Bob Murphy of Eastwood Baptist Church in Medford. Student speakers were Bob Wilson, Reva Humphrey, Sylvia Couser, Byron Hackett and Buck Babb.

The graduates wore their class colors, boys in dark blue and girls in light blue. Each girl carried the class flower, a single white rose. The class motto was "The same wind moves us, but not in the same way".

Graduates in the front row give their attention to speakers as their minds tend to be on other things. Left to right they are, Terri Barritt, Debbie Stevens, Barbara Hicks, Janet Hannaford, Karen Smeltzer, Mike DeBois, and Bobbi Caswell.

The Long and Winding Road.....

Sophs Wind Up Victorious

Smiling faces proved to be one of the dominant features of the 1971 Homecoming festivities. The floats followed the theme of the "Long and Winding Road". The Sophomores float placed first with the award winning title of "Freedom". The float was decorated with a flag, the Statue of Liberty, and scenes of previous wars. The Juniors were runners-up with their unique float called "Emerald City", depicting a scene from the Wizard of Oz. The themes for the Freshman and Seniors floats were "Happiness" and "Laughter."

Queen Cindy Ryder, displayed the happiest face of all. A Homecoming dance was held afterward in honor of her, and our 6-0 victory over Lakeview.

Left, The Sophomores team up with a double win this year by taking first place honors with both their float and their chosen princesses. Below left, beaming Sherrie White rides upon the Juniors story-book float which is on its way to the mythical Emerald City. Below and right, tears of happiness are projected on Queen Cindy's face as she is congratulated by mother and friends.

Fiesta Night

Confetti "Rains"

On November 20, Senior Mothers sponsored their annual Fiesta Night at the Middle School. Booths were set up by the various classes and clubs to raise money for the years activities.

The major purpose of this event for the mothers was to raise money for the Senior Class graduation party. They collected a percentage from each groups projects.

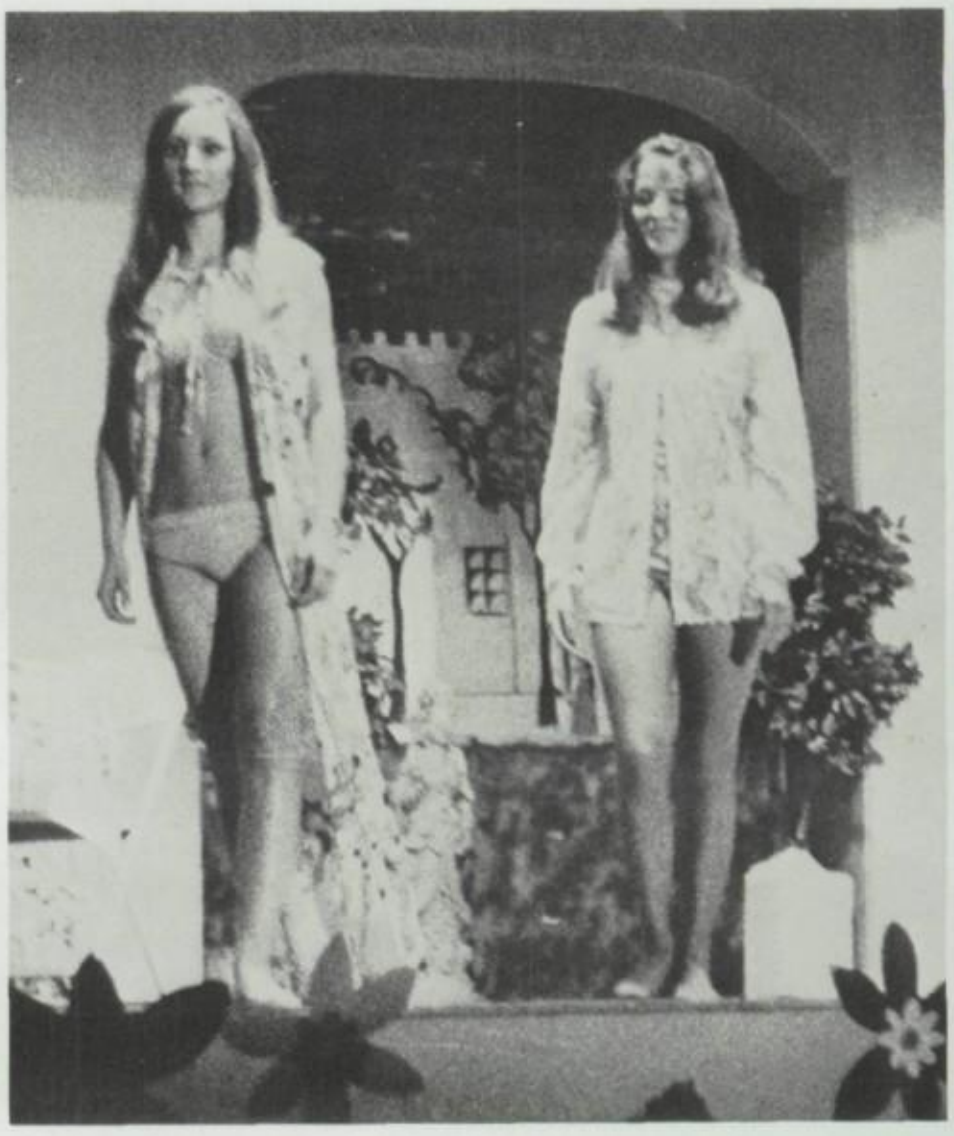
Let's Call Cindy "Sweetheart"

Cindy Brienig was crowned F.F.A. Sweetheart by last year's sweetheart Denise Bateman. Cindy's court consisted of Debbie Dusenberry, Karen Florey, and Carol Westfall. Escorting Cindy was Kim Horn.

The November event was celebrated by a dance, music played by "Smoke".



Your Thing for Spring

The Sophomore style show was the big event this year for the Sophomore class. Fashions were provided by Robinson's. Patsy Vidotto and Patty Work played the roles of commentators.

A touch of the Orient was definitely "in" this year, along with dual-purpose wear, hot pants, swim wear, sports wear, pants suits, formals, and tuxedos.

Half-time entertainment included Go Europe's Red, White, and Blue's, who sang six songs, and the "Miss Eaglet" beauty contest, featuring Doug Erickson, alias Lotta Legs, who was elected "Miss Eaglet".

The setting of the style show was an outdoor cafe, where the models strolled in and out during the evening.

FFA Gives Honors

April 27, 1972, marked the night for the FFA Awards banquet. President Rick Northrop officiated, with Scott Etzel as guest speaker. Cindy Breinig, Chapter Sweetheart, was special guest.

After a dinner of Swiss steak, the awards were given. They included: Distinguished Service Awards, which went to Mr. Dick Bellerue, Mr. Bob Eldon, and White City Merchants. Special Awards were presented to Mrs. Mel Morris and Mrs. Eve Lambert. "To the Advisors Award" was given to Mr. Mel Morris, Mr. Mike Bowles, and Mr. Nat Etzel. The Hostess Award was presented to the Girls' League for their banquet assistance.

Home Ec Style Show

I've Got to Be Me

"I've Got To Be Me," was the theme for the annual Home Economics Style Show. This year's theme was based on the wide variety of outfits. Each of the 150 girls participating chose a style and color to fit themselves. Several little girls modeled outfits made by big sisters or friends. Projects ranged from shorts and tops to long formals.

The back of the stage was a collage of faces. The setting was a department store featuring the current fashions in all types of wear. This year's commentator was Bobbie Caswell.

Venita Goble is dressed for an evening out on the town.

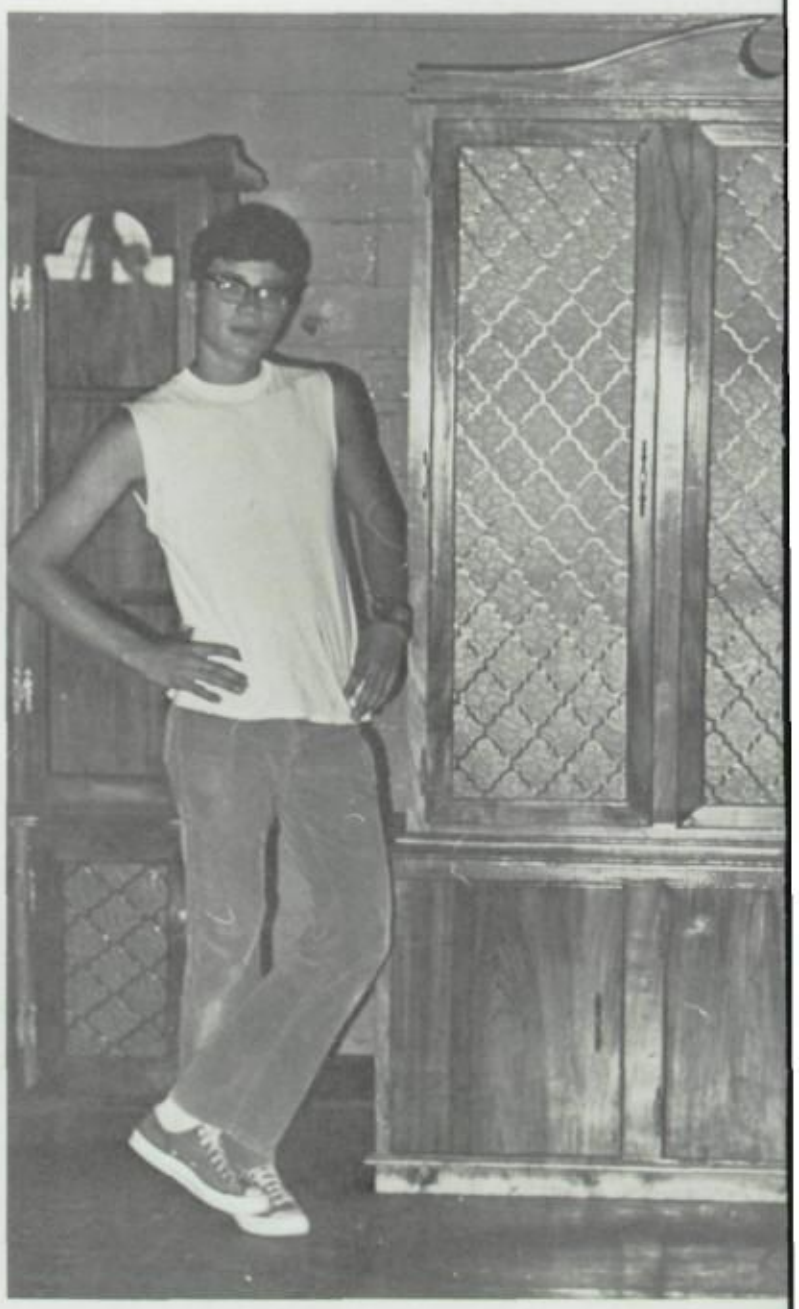
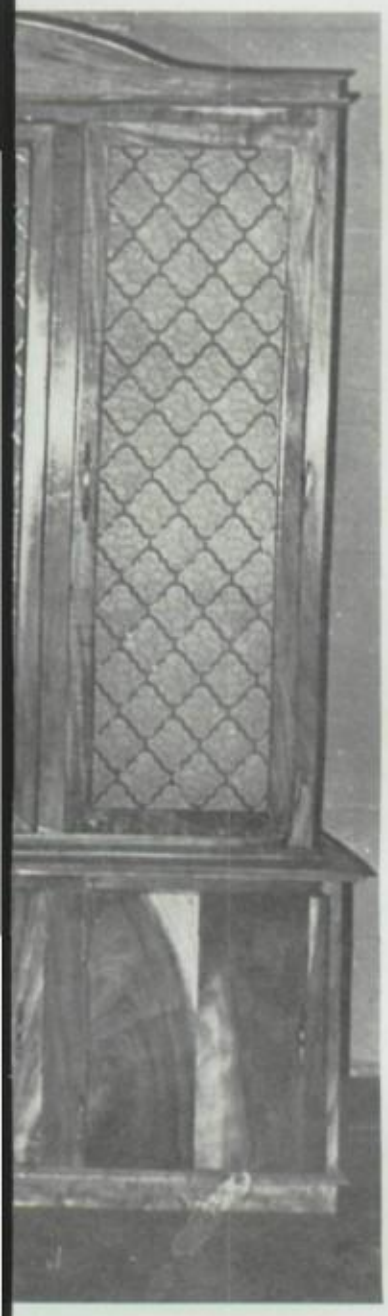
Shop Show

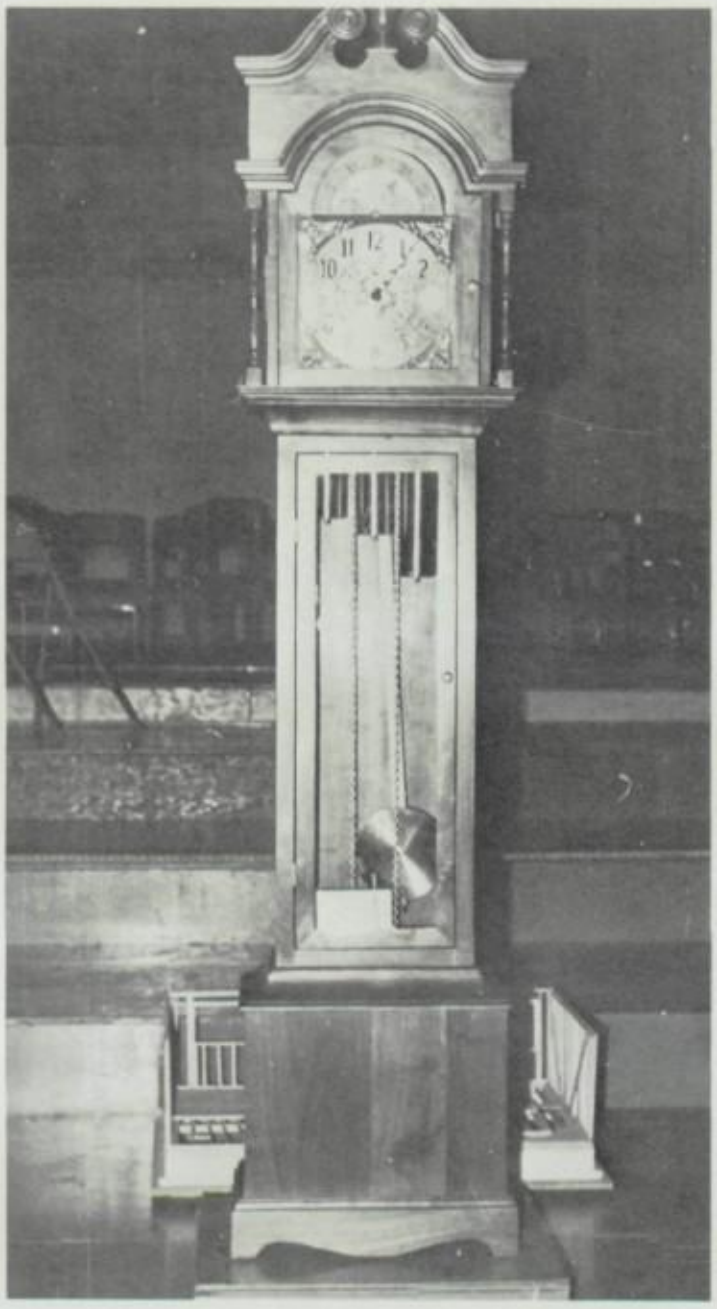


Steve Lehman receives his plaque as outstanding shop student. He stands in front of one of his projects.

Projects Show Skill

The annual shop show was held June 1. Students displayed the projects they had chosen earlier in the year. Displays worked on during the year ranged from small tables to a bed. Among the outstanding students were Greg Grissom, Steve Lehman, Sherwin Fitterer, Joey Jensen, Terry Edwards, Greg Waugh, Ron Johnson, Morgan Hanscom, and Harold Clark.





Above, Harold Clark is happy about his coffee table. Greg Waugh has a chance to show off his table.

Art Show

Talent "Shows"

This year the annual art show turned out to be a big success. As in other years there were the usual last-minute doubts as to whether the displays would be ready on time. Those attending enjoyed all the delightful things which ranged from a puppet show to a black light display.

Mrs. Applegate and Mr. Henderson supervised the show. Mr. Morton and his television and drama students put on a puppet show, video taped it, and showed it four times a day. Photography students had a large display of excellent photographs. Mr. Henkle and his radio students had a disc jockey booth and played music during the show. The school's literary magazine was also on sale. This included contributions from many students. Art department students displayed items of pottery, jewelry, mobiles, and other projects completed in various levels of art classes.

Eagles Like Our Kind of Music

The Christmas Concert, held in December, was made up of Beginning Choir and the Cantible Choir. There were 168 choir members present, 60 from the Beginning Choir, and 108 from the Cantible Choir. Their Selections were traditional, contemporary, and Christmas songs, so there was enjoyment for everyone.

In April, the "Green Machine", a rock group from Fort Lewis, Washington, performed at an assembly, where the students could get into the act, and did, by dancing. The group, sponsored by the Army for public relations, had been traveling all over the West Coast and had appeared on television, but took time out to stop at little old Eagle Point to perform.

Also in April, was the "Exchange Concert." This was a friendly competition between the Eagle Point and Philomath bands. This exchange had been set up early in the school year by the band leaders, and each had favorable comments when it was over. In fact, the Philomath band leader said that his band had played much better than it had at home. Our band, though a young one, had presented a top performance. Ninety percent of our band were freshmen and sophomores, leaving only three juniors and seniors, so, we can expect some good performances in the coming years.

A Time for Us

This year the Junior-Senior Prom was held at the Medford Red Lion Inn. The prom was sponsored by the Junior Class with Bob Kleker as chairman. The Music was by Duck Butter. Prom Queen was Sherrie White, and her princesses were Karen Long, Sylvia Couser, and Sherrie Damon. Bouquets of roses and crowns were presented by Audrey Beeler last year's prom queen. The theme was "A time for us", with Western Decor being featured. Refreshments were served by freshman class members, Linda Silvey, Gary Meeker, George Petersen, Jean Perkins, Jim Perkins, Gail Pleinis, Dan Baker, Karen Klovstead, and Teresa Peile.

ORGANIZATIONS

Serving ourselves and others

keeps us busy, makes us happy,

as we make our own kind of music,

. . . our own kind of music.

Below left, "Try it you'll like it," says Londa Olson and Jamie Ellis at Art club booth! Above left, Debbie Nordmann gathers her things after a Honor Society initiation party. Above right, Nancy Lehman awaits the choice of snowcone of Janice Shaw and Janie Hall, while Terri Barritt and Kathi Farris whole-heartedly make cotton candy.

Many are "In"

FBLA officers and their adviser Mrs. Wiegand really kept the group going with activities. The president was Kathi Farris, vice president, Terri Barritt, Sue Stanley, secretary and treasurer Nancy Lehman. A cotton candy booth was sponsored at the Fiesta Night and the members assembled and sold student directories. Thanks to FBLA we had a paper, pen and pencil machine in our halls.

Skills contest, livestock, dairy, and soil judging, Pacific International livestock show and the State Convention were some of the FFA activities. Fund raising projects were plant sales, football concession stand, and buckaroo breakfast. Officers were Rick Northrop, president; Delbert Longbrake, vice president; Neil Lanning, treasurer; Robert Johnson, reporter; and Ed Klecker, sentinel.

Honor Society held their installation in February in the multi-purpose room. The major activity of the 74 members was the taking of tickets at athletic events. Officers were president Steve Bowdoin; vice president, Bob Wilson; and Secretary Steve Lehman.

Art Club president was Lydia Zomerdyk; vice president, Bill Morris; secretary, Lyn Robinson; treasurer, Dave Scott; and Steve Elder was sergeant at arms. Painting trash cans, putting on a dance with Raggedy Ann, and a swirl painting booth at Fiesta Night were among the activities sponsored.

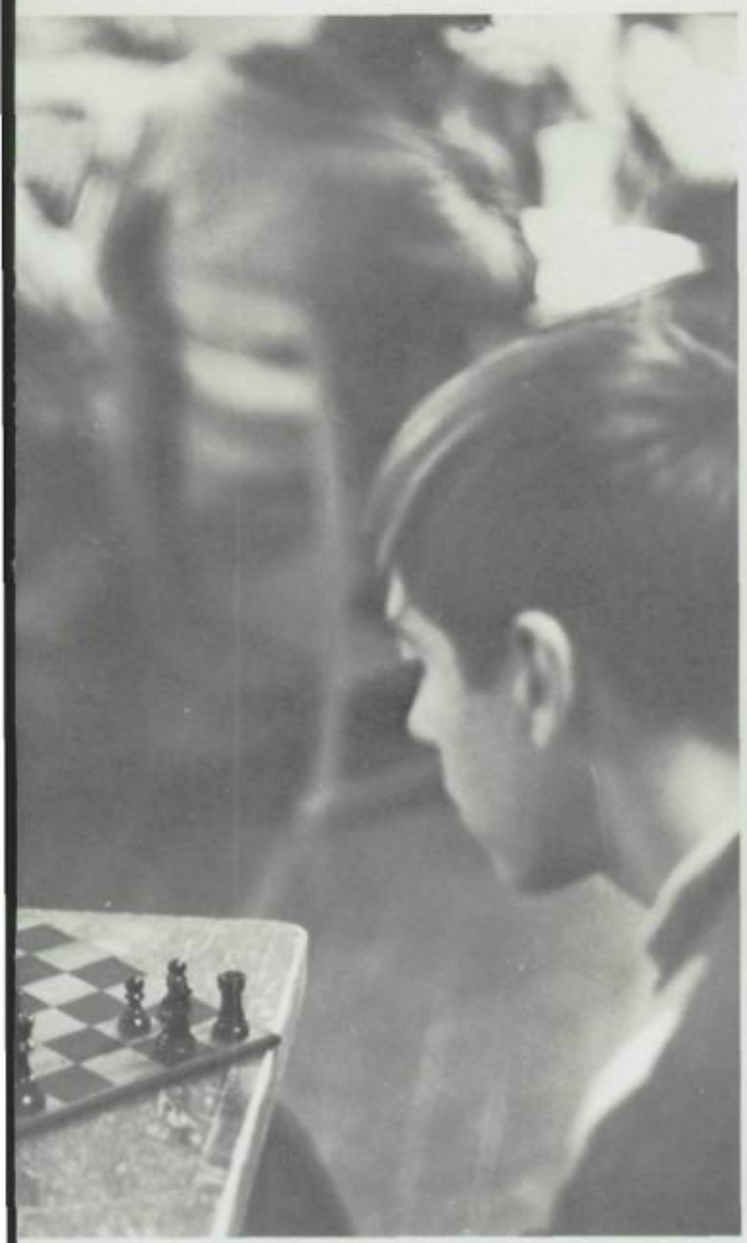
Top center, Robert Clark is temporarily frustrated by his chess partner Anthony Woodville. Top right, French Club members Hart Wilson, Carlene Short, and Louann Reeves take on new identities in a Guignol skit. Below left, Club Pres., Sue Irving, disguised as Franky, meets Rosa Valdez at a Spanish Club meeting. Members left to right are, Starla Gustafson, Patty Work, John Murdock, Skip Davidson, and Walter Copeland.



Club Members Show Off Skills

French Club devoted its skills to the area of cooking. Its first activity of the year was a Fiesta Night Pastry Shop, where authentic French pastries were sold to raise money for the scholarship given in the spring.

A Christmas Reveillon was held at Mrs. Shute's home where a traditional Christmas meal was held, cooked by club members. Caroling in French was a real experience for the group.

St. Patrick's Day found these Frenchmen selling "Gaelic Gallic Goodies," still raising scholarship money. The annual spring picnic was held at Lithia Park. At this time, the recipient of the French Club scholarship was announced.

President of the club was, Richard Woodville, Vice President, Walter Murray, Secretary-Treasurer, Colleen Thompson and advisor, Mrs. Shute.

Chess Club started last year from Mr. Tarrant's Cross Country team. He said if they won the meet, he would sponsor a chess club. They won, so he sponsored it. Because of a time conflict this year, Mr. Hendersen stepped into the role of adviser.

They've joined Southern Oregon Chess League and have gone to several inter-school meets. There are about nine members in the club and they play at noon, after school, and just for fun. President was Murray Peck, Vice President, Anthony Woodville, Secretary-Treasurer, Jim Kingery.

Spanish Club sponsored a fortune telling booth at Fiesta Night. The club gave a party for Rosa Valdez and they had spaghetti and punch. Summer after next, they plan to go to Mexico if they earn enough money.

For their last event they had a picnic at Lithia Park. President was Sue Irving, Vice President, Deb Dusenberry, Secretary, Karen Florey, Treasurer, Starla Gustafson, and advisor, Mr. Nahoe.

Speech Club has been very successful this year. For the first time in ten years, the debate team went to state and made semi-finals. Included in the team were, Murray Peck, Jolene Arnold, and Jay Horn.

Carolyn Mathis went to SOC for Humorous Interp and took a first. She went to Linfield and Portland State for the same event and took second in both contests. She took a first in District and a fourth in State. She was awarded $50 for taking a first place in the Real Estate Contest.

Arlie Dedmon took a second in Humorous Interp at the South Coast Tournament. Terry Ellis took a first in Oratory at the same event.

Buck Babb took a first in District, a first in Regionals, and a second at State for the Soil and Water Conservation Contest. Linda Dover made it to State with Poetry, and Jolene Arnold made it to State with Serious Interp.

Rally Girls Stomp Way To Victory

The year began with a long struggle for money, spirit, more money, and more spirit. Rally girls spent many hours organizing pep assemblies, learning new yells, and writing skits.

The varsity cheerleaders worked hard to raise money for camp and uniforms. Their activities ranged from pop bottle drives to grape-stomping. Eagle cheerleaders took first place over all schools in the valley in a grape-stomping contest sponsored by Blackbird Market in October.

The J.V. and Freshman cheerleaders had outfits of blue and gold. All of the cheerleaders spent the rest of the year supporting their teams, boosting spirit, and having an all-around good time.

FTA, E-Gals

Busy Girls are "With It"

Future Teachers of America chose as it's theme this year, "Smiling Faces and Going Places." The main event was State Convention which was held in McMinnville where they took first place in the Bulletin Board contest. Also members visited Phoenix and Crater to compare their teaching methods with ours. Advisor was Mrs. Hill, President was Cindy Short, Vice President Denise Batemen, Secretary Jolene Arnold, and Treasurer was Janice Shaw.

Egals, now in their second year are one of the most active clubs during the winter. They help support the wrestlers and keep score and coordinate the meets. At the state wrestling meet in Corvallis they made and hung up posters and cheered the wrestlers on.

Girls' League

Serving at the FFA banquet, girls' league members, Karen Smeltzer, Nancy Ware, Laurie Trautman and Linda Hansen get an assist from Mrs. Smith, their adviser.

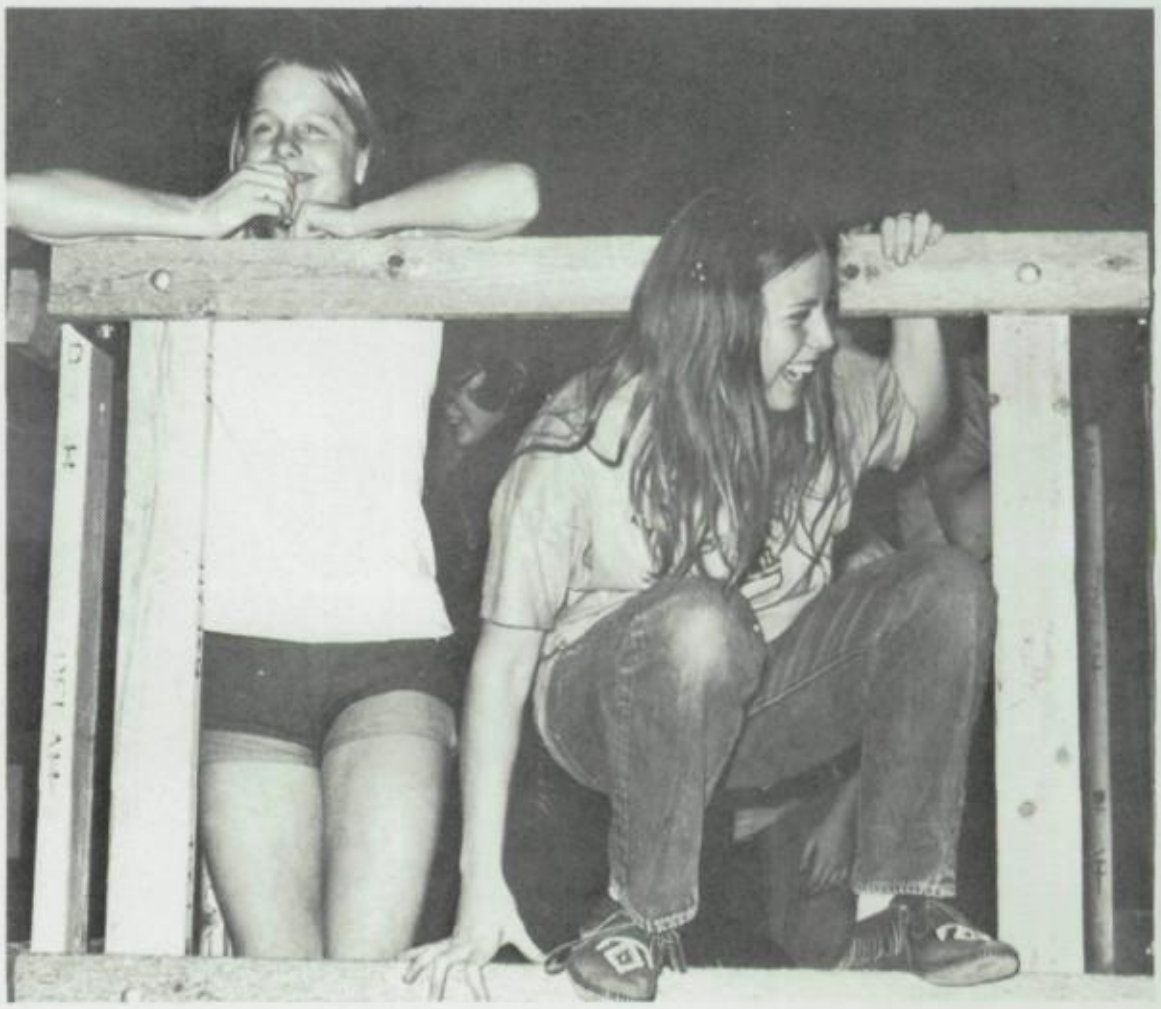
Service is Their Motto

The Girls' League is open to any girl in the student body who wishes to serve her school or community.

Service projects such as hospital favors, and the donating of funds from Val-O-Grams to the heart fund, were among the activities.

Members volunteered to serve at the sports banquet and the FFA banquet. The group sponsored 2 dinners for the Henley and Lakeview basketball players. These various projects were supported by money made by the Fiesta Night Jail. The E-Gals group was started and encouraged by the Girls' League.

To top off the year the Mother Daughter Tea was held. At this time the new officers were installed. Officers for the 1971-1972 year were Teryl Smith, President, Janet Affolter, Vice President, Secretary, Cindy Briening, Laurie Trautman, Treasurer, Historian, Carolyn Mathis.



Kathy Kelly and friend seem to get a kick out of being imprisoned in the Girls' League jail during Fiesta Night.

Student Body President Buzz Howard

Council Seeks a Better Way

The major issue which involved the student council was the rebuilding of the patio. President, Buzz Howard and Chris Breinig visited Phoenix High School to see how their student body and their school was run. They also attended classes to see which kind of subjects were offered. This gave them the opportunity to compare the two schools. The four student body officers went to Coos Bay, and took part in a workshop to learn how to efficiently run a student council.

Student Council representatives from the student body were chosen from each 7th period class. Interested students were allowed to attend council meetings, with the permission of the teacher.

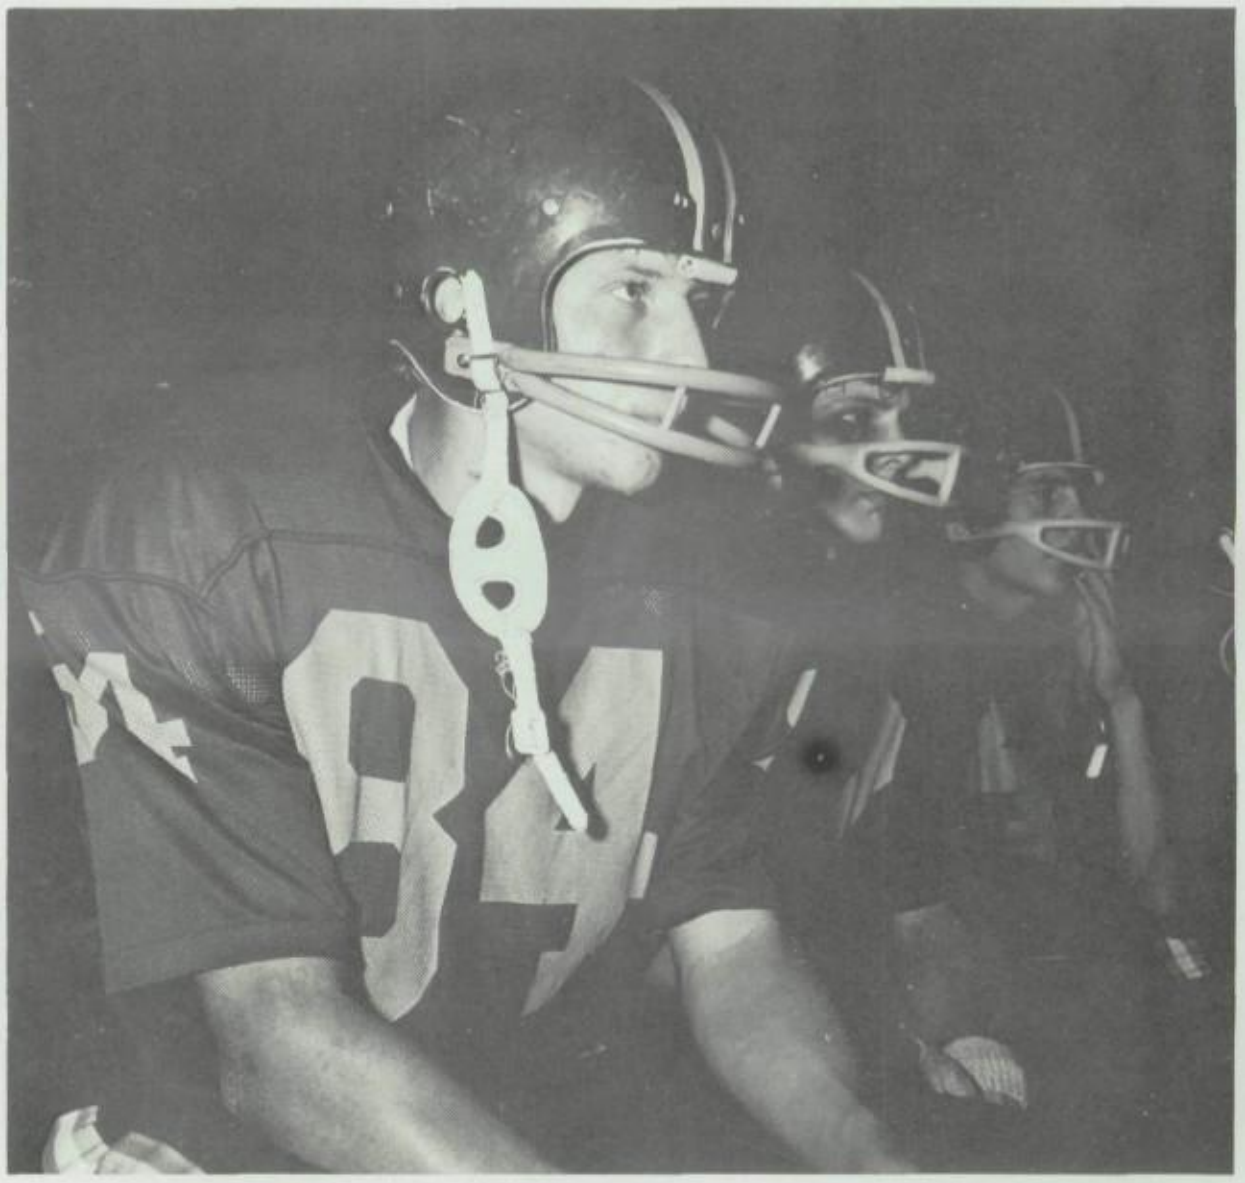
Simpson is New Coach

The varsity football team wound up the 1971 season with a 4-3 record in Skyline conference play and an overall 4-5 record. The Offense scored 198 points but the Defense gave up 170. Early season low scores cost three straight losses.

The Eagles used the triple option on offense, plus the Oregon State blast series along with a fairly good passing attack.

The players elected Jim Wehinger Most Valuable Player & Best Back, Tom Greb, Team Captain, Larry Morrison, Most Inspirational, James Powell, Best Defense and Steve Lehman, Best Offensive Lineman.

The team was lead by Head Coach Al Simpson, who is new to the area but not to coaching. Helping him in this dept. were Mr. Ron Toombs, Mr. Doyle Bransom, Mr. Greg Dippel and Mr. Ron Edmonds.



Jim Wehinger, 44 breaks through the line for big yardage, as Jim Powell, 74 gets the satisfaction of a good block.

J V's Build Nucleus

The Eagle Point J.V. football team ended the season with record of 4 wins- 2 losses. The four wins were St. Marys of Medford twice, Pheonix J.V.s and Medford Mid-High Sophomore J.V.s. The Eagles lost a close contest to the Crater Soph. 21-12 and 13-0. The two J.V. coaches, Mr. Dippel and Mr. Edmonds, felt that the J.V.s had a good season and built a good nucleus for the varsity team next season.

Frosh Face AAA's

The freshman football team played a tough schedule consisting of only two AA schools and the rest AAA schools. The result was a 1 win- 6 loss record with the win coming over Phoenix 20-6. In the other AA battle the little Eagles lost a tough 0-6 game at Henley.

At the end of the season the players voted Freddie Martin as Best Lineman and Bruce Jermain as Best Back. Head Coach Mr. Magruder and Coach Mr. Goin got together and came up with Harold Leonardo for the Coaches Award.

Eagles Place Third

The Varsity team recorded a 15 win-7 loss season but it could be called a disappointing year. The Eagles placed third in their league, but beat every team in the conference at least once. Although lacking in consistency the team had some outstanding players in Randy Shreckengost who made first team all-Conference and Honorable Mention All-State. The team also placed three on the All-Conference list. They were Kim Horn, Second Team, Tom Greb and Steve Lehman made Honorable Mention.

The J.V. team this year was coached by Mike Goin. They had a 7 wins- 15 loss season. The team consisted mainly of sophomores, with a few juniors. At the end of the season the team voted Ken Trautman Most Valuable Sophomore.

Six Go To State

This year was a good year for the Eagles who did an outstanding job in dual meet scores, having 7 conference dual meets the Eagles came through undefeated. This year however, the Phoenix Pirates won the district title by a score of 176 to our 157. We had held the title for the past three years.

We qualified six wrestlers to wrestle for a state title of which two received third places and two received fifth places in state. Those placing in state were Bob Chastain, Phil Cam, Brian Cam and Gregg Grissom.

The Junior varsity team this year won all of their conference meets. Many of the J.V. team wrestled at District and had a chance to win a district title for a chance to go to state.

The Freshman team this year had a fair season winning five and losing three meets. The frosh Eagles placed fifth in district with two wrestlers placing second and two placing third.

Six Qualify for State

1972 was a rebuilding year for the young Eagle track team. Lead by seniors Brian Peck, Jim Powell, and Jim Wehinger, the Eagles qualified six boys for the state meet. Along with the three seniors and three sophomores, Greg Grissom, Dave Christensen, and Gary Barnes made the trip to state.

The future looked a little brighter with strong showings by sophomores and freshmen.

Eagles Split Wins, Losses

This year's Eagle Point baseball team came out with a record of 15 wins and 16 losses. There were some injuries that hurt the team in the middle of the season. Next year Coach Fred Herrmann hopes for a better season, with 15 players returning.

Two Go to State

The girls who were out for track this year showed good performance in their events. We had two girls who went to state, Linda Johnson and Janice Shaw. Linda's events were shot put and javelin. Janice's events were the 440 and relay. We felt we had good prospects for the upcoming year.

Gymnastics

New Equipment Aids Gymnasts

Floor mats, beam, and vault, were among the new equipment acquired which helped the gymnasts greatly.

It was a much better team which performed this year. The girls were more energetic and worked hard to gain some of the glory of winning. They won three meets out of six, excluding district and state.

Three girls placed in the finals at district: Laurie Trautman, Vicki McHargue, and Darlene Barton. Laurie was the only one to go to state. She represented Eagle Point in the vault and the unevens.

Cross Country

Young Eagle Team Shows Spirit

The Eagle Cross Country team, boasting a fine record for such a young team, took fourth place at the district meet in Medford. The team was composed entirely of underclassmen and they placed ribbon winners Jim Wilson, Jerry Craven and Tom Reeves in the top 20.

The Eagles lost the only Senior on the team, Steve Bowdoin, because of injuries early in the season, but not before he lead the team to a third place finish at the Brookings Invitational. Also lost for the season was Freshman Joey Jensen, with a broken leg.

Receiving special awards at the annual fall sports banquet were most valuable, Jerry Craven, most improved, Roger Harnish, and Steve Bowdoin, most inspirational.

Somewhere Over the Rainbow

The long and winding road to .... Emerald City as the float theme captured a second place for the juniors in Homecoming float competition. Various characters from the children's story "The Wizard of Oz" were the basis for the theme. While junior classmen portrayed the Lion, Tin Man, and the Scarecrow, Princess Sherrie White assumed the role of Dorothy.

As the time drew near for the Junior-Senior Prom, juniors began searching for their pot of gold at the end of the rainbow. Money raising events were selling tickets for an Eagle Puppet drawing, sponsoring a dance during football season and an airplane wash. Award money from the float went toward Prom expenses.

ADMINISTRATION

Whether a helping hand

or a warning word,

We harmonize to make our kind of music,

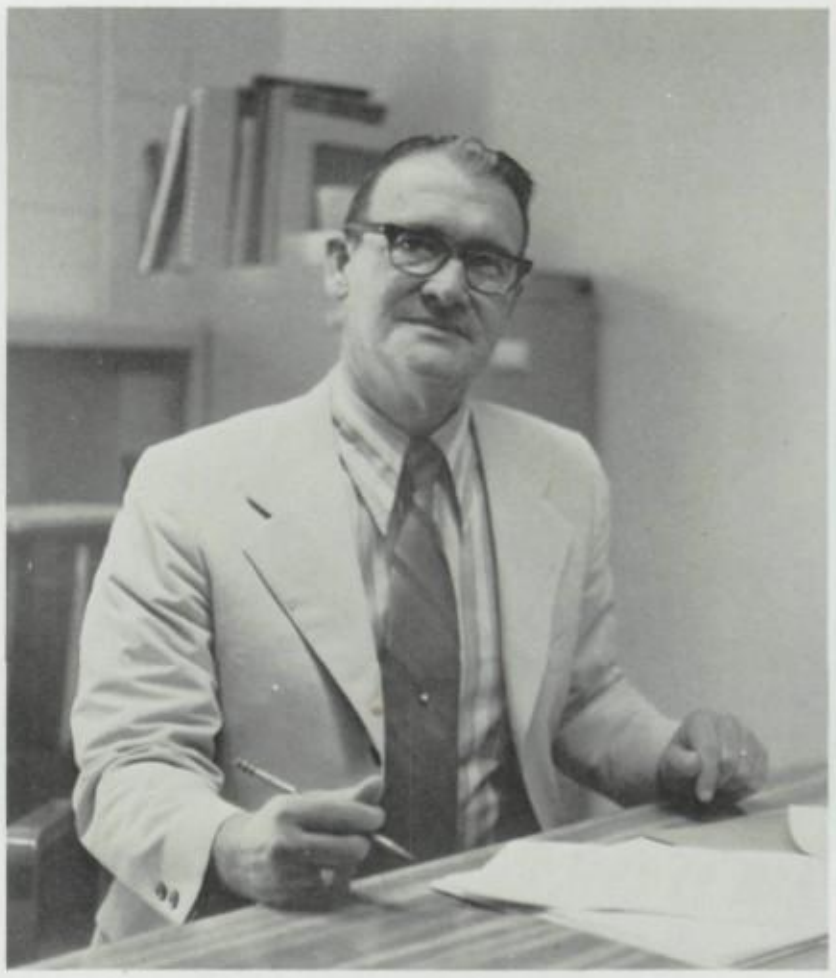
. . . our own kind of music.

Mr. Robert Work, superintendent

District 9 Expands

The surrounding schools serve as learning centers for 2,242 students, who are taught by 103 teachers and interns under the supervision of six principals and vice-principals. District officials expect the school population to grow rapidly, increasing the educational demand in the 640 square miles.

The school board is made up of five members from the community who donate countless hours of their time to offer the best possible education for the least amount of money.



Mr. Leonard Warren, assistant superintendent

Mrs. Barbara Jones, secretary, Professor Art Phillips, clinical professor, and Mrs. Peggy Brittsan, secretary.

Above, District 9 board members, left to right, are Ed Leaming, chairman, Dr. Albert Eaton, Robert Sanderson, Robert Work, and Bob Wood, district business manager and deputy clerk. Below, Mrs. Mary Beerli, dispatcher, secretary, Mr. Wood and Marilyn Marchbanks, district accountant, confer concerning an accounting problem.

Eagles Greet Principal-Friend

We welcomed a new principal this past year, Mr. James Sutherland. He assumed his new duties at the beginning of the 1971-72 school year.

Many students remember him as a Social Science teacher, while others have had "the pleasure of his company" when he served for four years as vice-principal and chief disciplinarian. He has been on the staff since 1965.

Mr. Shy Callaghan, head counselor, has been at our school since 1947. His duties included keeping a watchful eye on the academic schedules of the students. He had the duty of setting up the academic schedule and administering the various testing programs. His duties as basketball coach added real "zest" to his yearly duties.

Mr. Harry Cougle, vice-principal, has been with us since 1966. His duties, besides the normal administrative concerns, include discipline matters and activity scheduling. Students appreciated his help in many areas.

Mrs. Charlotte Smith assumed the duties of Dean of Girls in 1967. She was kept busy with the concerns of girl students and also was an adviser to clubs when her time permitted. Her duties were so various and her time so generously given that she ranked very high with students.

What Makes the School Go 'Round?

Processing the needs of 100 students and a faculty of 40 teachers took plenty of time and a lot of patience.

Mrs. Jessie MacDermot was the financial wizard, serving as head bookkeeper. Mrs. Dona Affolter and Mrs. Bev Drake served as secretaries.

Head teacher aid was Mrs. Charlotte Moore who provided needed assistance in all subject areas except English. The English teacher aid was Mrs. Delores Thomas, new to the school this vear.

Another important part of the office was filled by students who were aids to the secretaries. Each period of the day these helpers ran errands and attended to general office procedures.

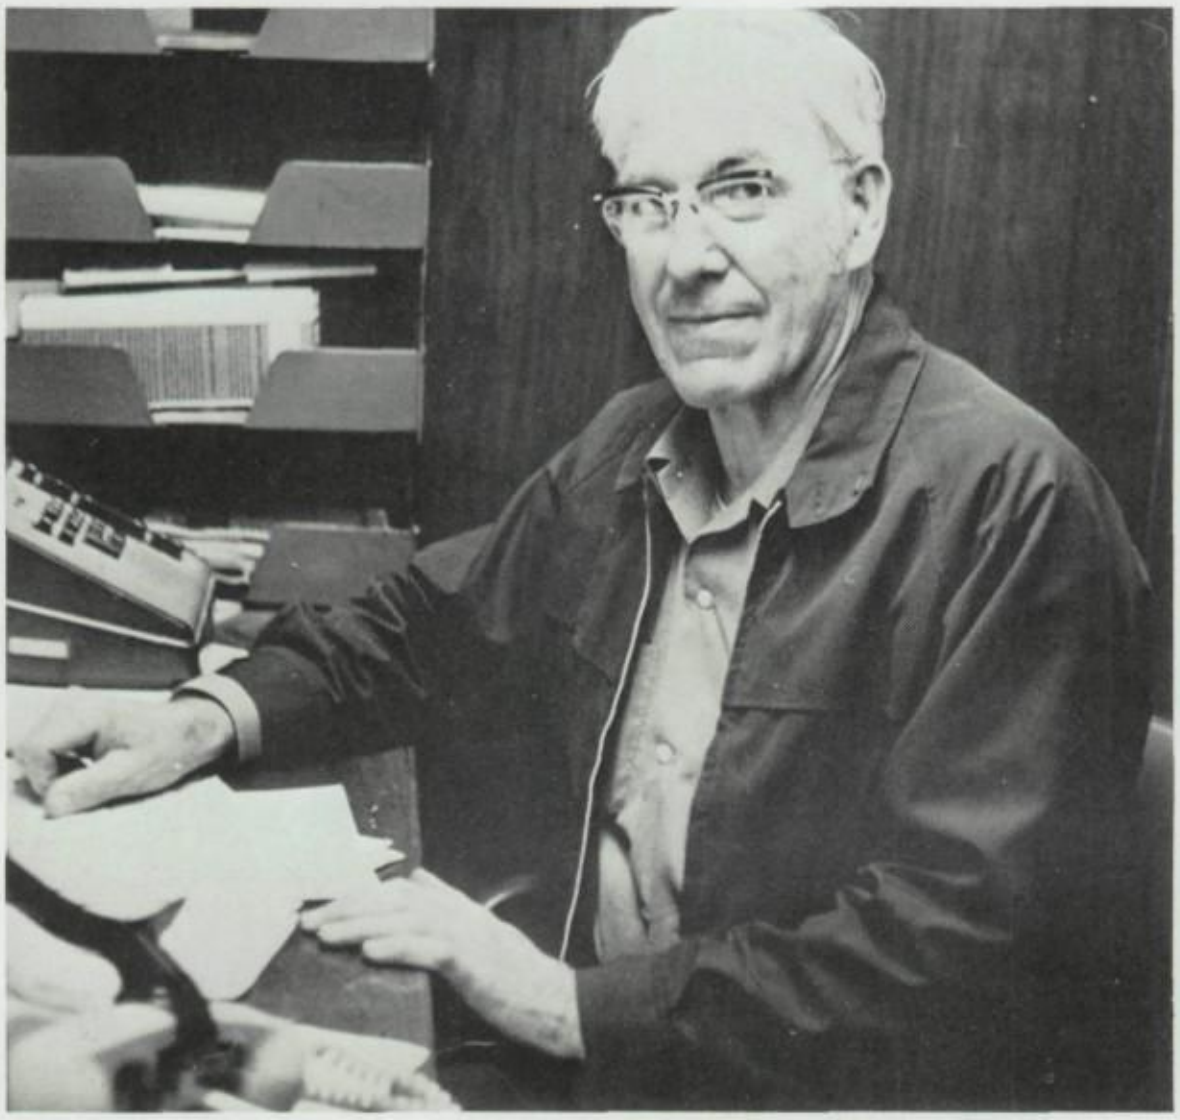
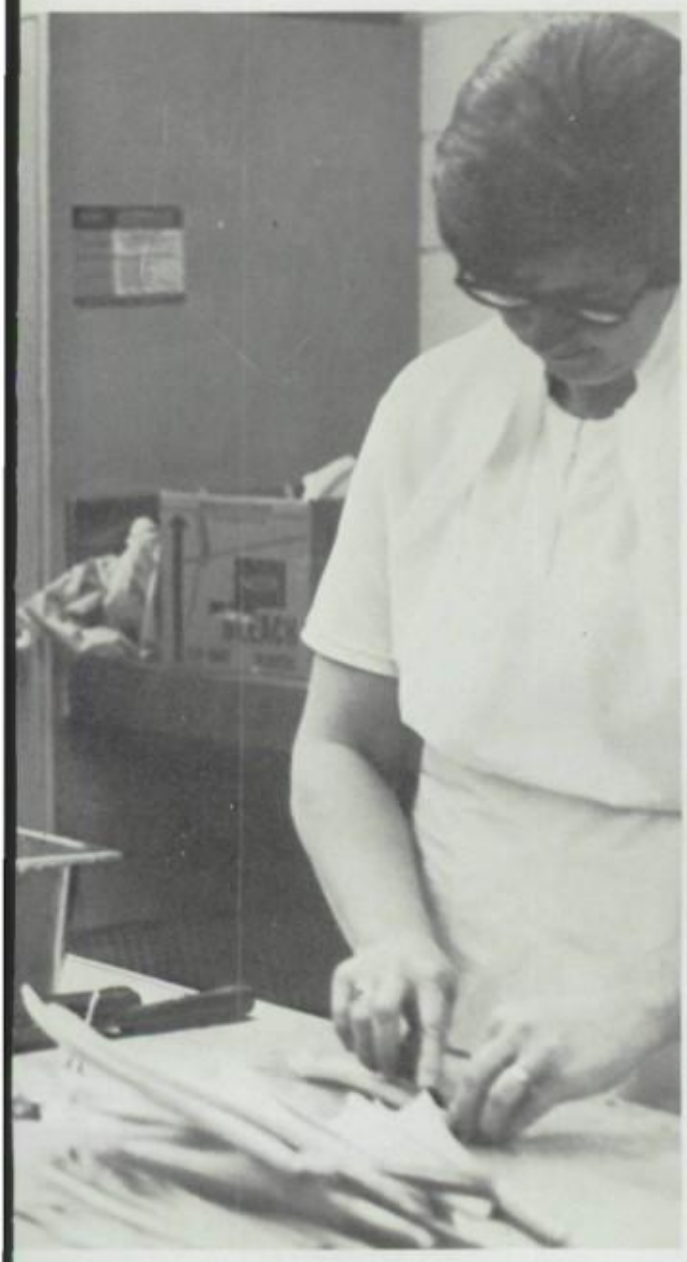
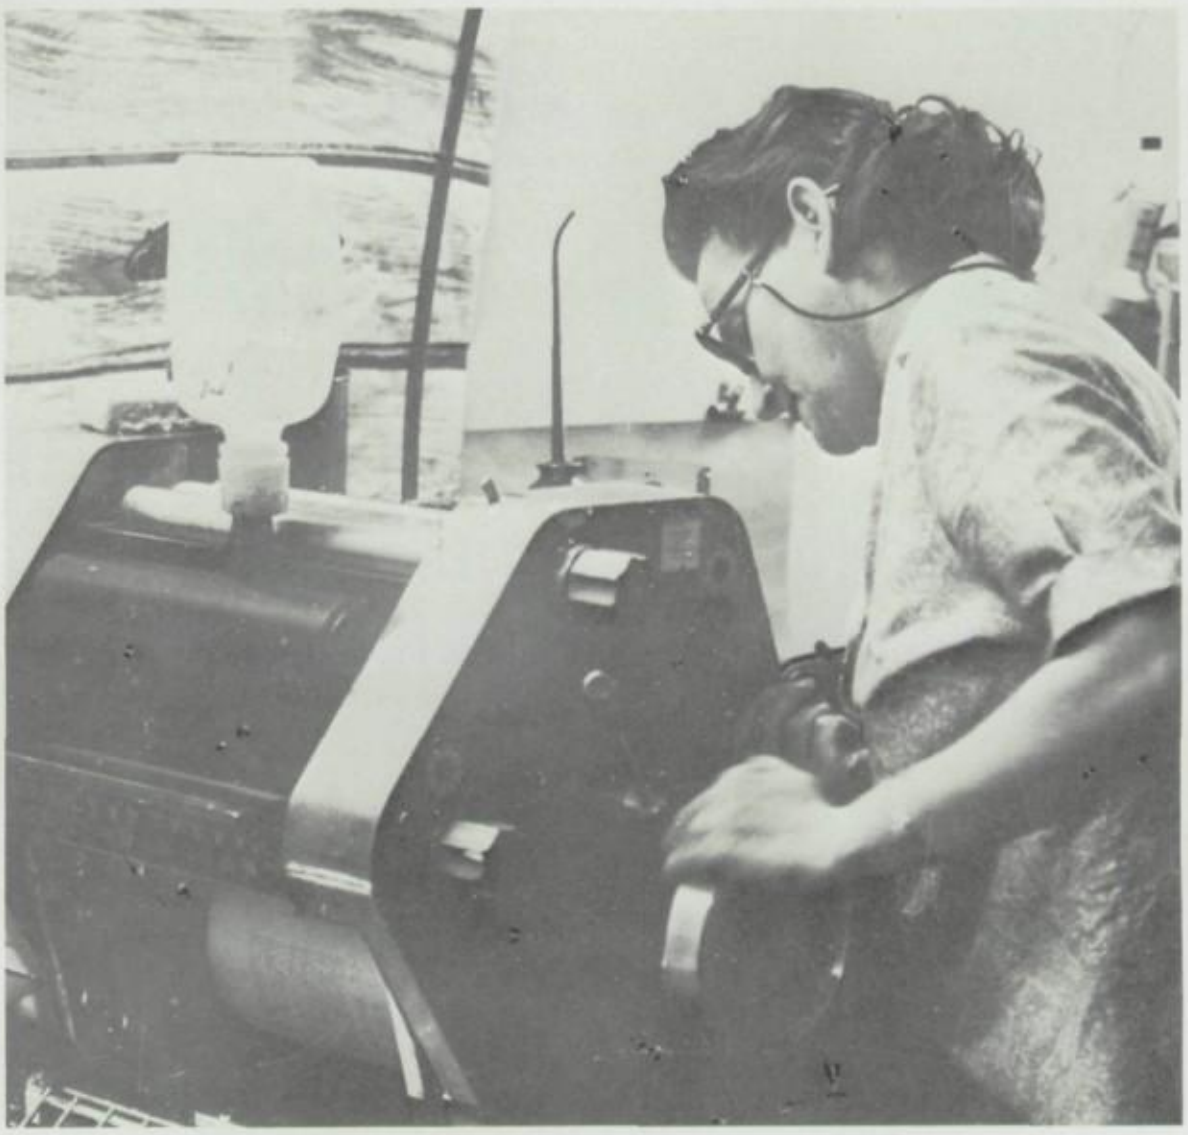
Classified Personnel



Without these people, our school could not function. Upper right: Mr. Murray Bartling, director of maintenance. Center: Mrs. Margaret Dietrick and Mrs. Barbara Hickman, cooks for the high school. Lower left: Mr. Hugh Derrickson, district carpenter, Mr. Leo Thomas, maintenance man for the Glenn D. Hale Primary School, and Mr. Dick Bellerue, maintenance man for the high school work on the new relocatable classrooms.





Upper right: Mrs. Ann Brookins, district printer. Lower right: Mr. Bill Collier, Mrs. Billie Morgan, and Mr. John Manitsas, bus drivers.

ACADEMICS

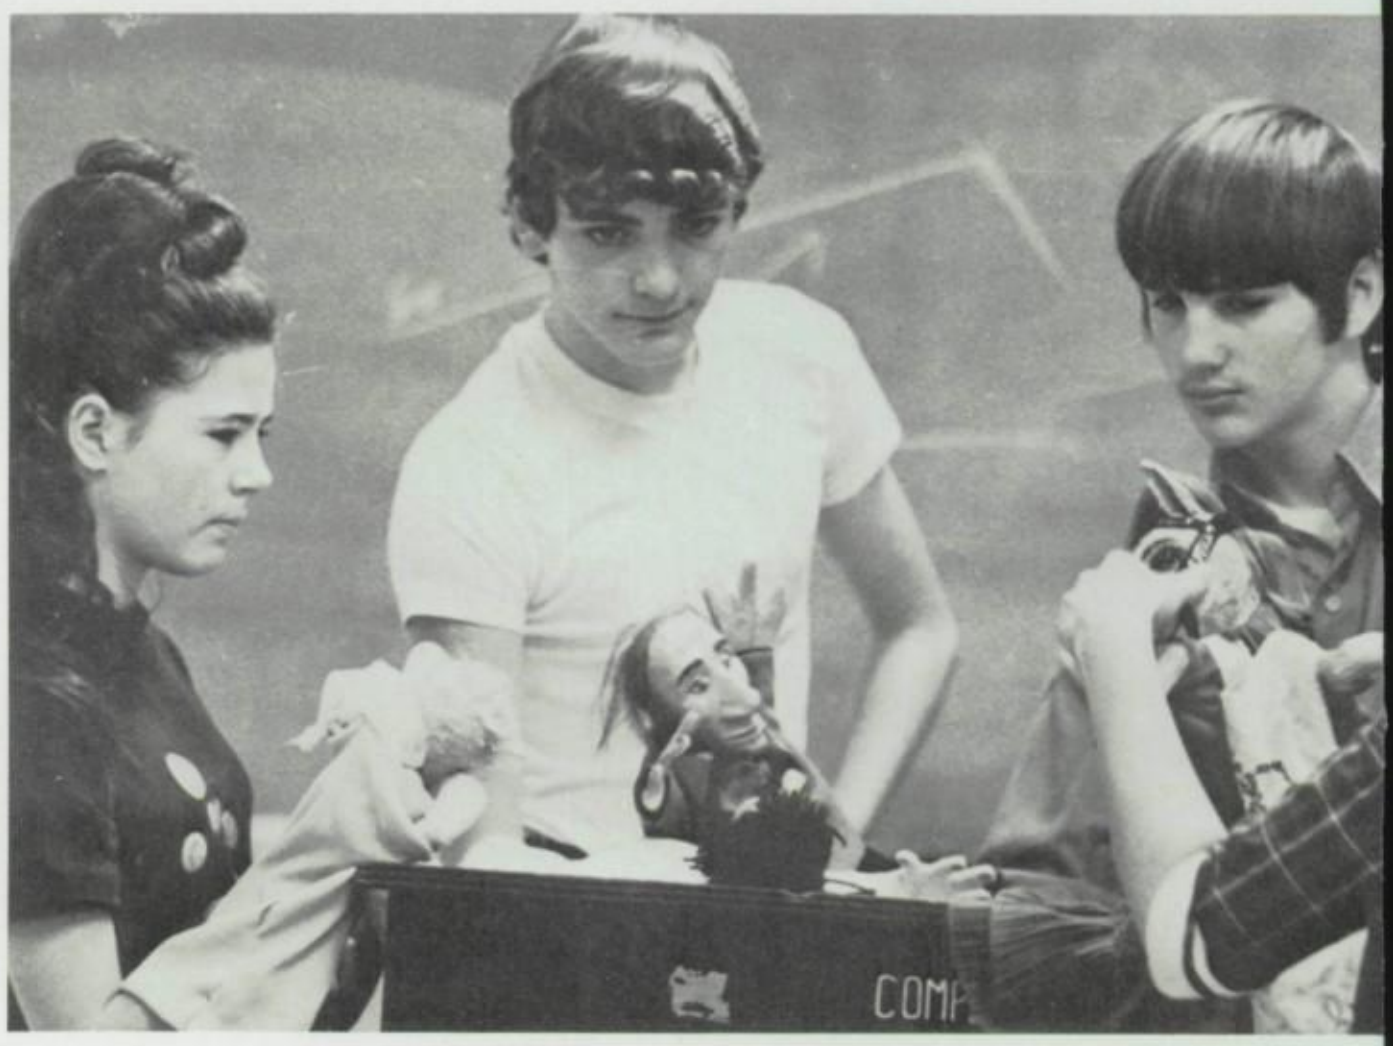
The wheel turns as do our thoughts. Our thoughts spin and gyrate 'til the music of our minds is forced out. This is our own kind of music ..... our own kind of music.

Library

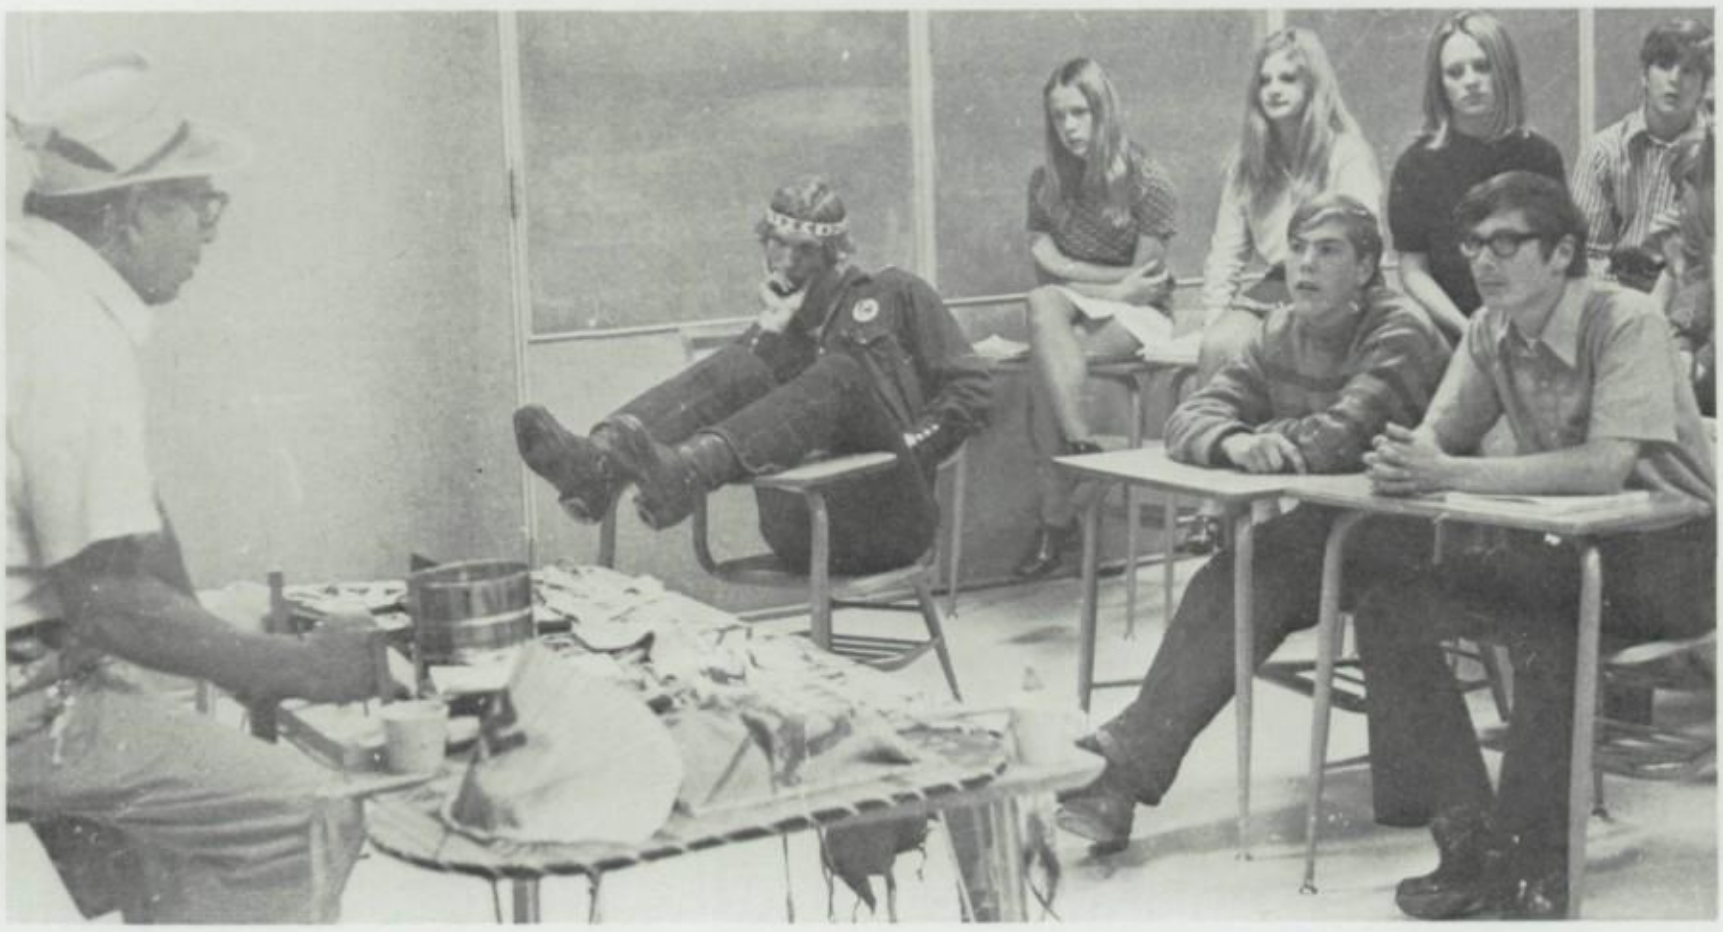
The library is the setting for a problem solving session for Sammie Meredith and Debbie Hickman.

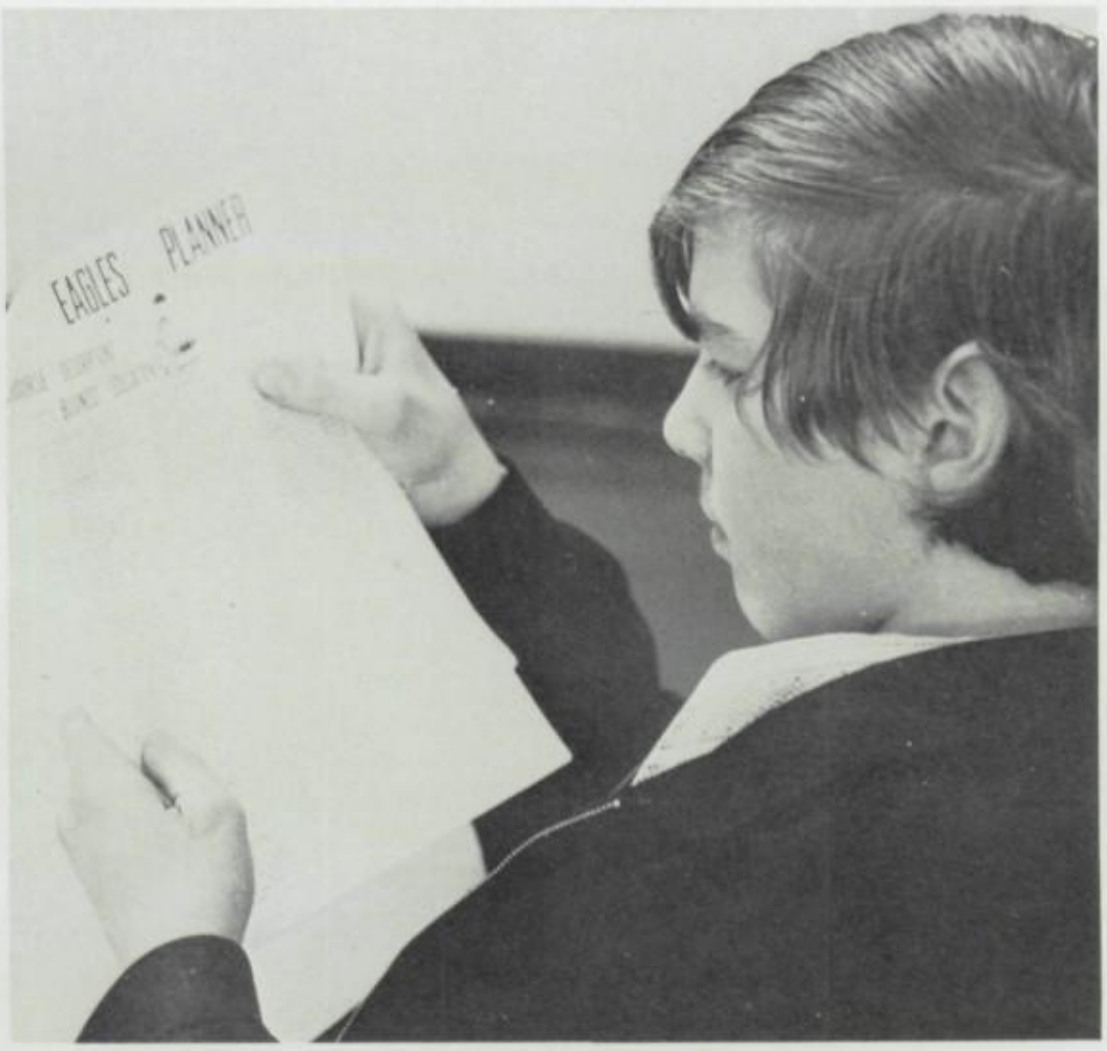
New Aids Serve Us

The library served the students as a research center as well as an audio-visual aid center. The library offered an estimated 7,000 books for the students and teachers. Assisting head librarian Mrs. Nellieann Ragsdale, were our two new aids Mrs. Mary McClure and Mrs. Wilma Albert. Student aids continued to do the routine chores demanded by this active center.



Gail Pleinis, Robert Russell, Rusty Moore and Naomi Nave get set for their puppet skit during a freshman English class.





English is a Target for Many Changes

The English department scored again! The department offered a variety of new classes to the students. Among these were The Detective Story, Film Story, T.V. Review and Radio. Add to these the long established courses such as Creative Writing, Vocabulary and Spelling, and Bible as Literature, and you come up with a good list of choices. Mr. Ross Ware was department chairman.

Above, Bill Kane, and American Indian speaker for the English classes, shows his Indian items to Jim Huntley, Sue Leary, Janice Akers, Cathy Thomas, Gary Ray, Tom Mathis and Steve Hefley. Below, August Kuhs ponders over the many choices offered by the English department.

Speech, Drama

"Where It's At"

A varied offering went to students in the Speech and Drama areas. As well as speech and drama courses there was TV Review, Radio and Communications Theory.

Radio Station KEPH was on the air each day at noon. Student disc jockeys played records for broadcast over the intercom system. "Risk-a-Disc" was a feature of the radio class. This gave students a chance to win a record by purchasing a 10¢ ticket.

Speech students competed in 10 tournaments. The outstanding speaker for the year was Carolyn Mathis. Our team took second place in the district and sent Jolene Arnold, Murray Peck, Linda Dover and Jay Horn to the state competition. Speech instructor was Mr. Robert Henkle.

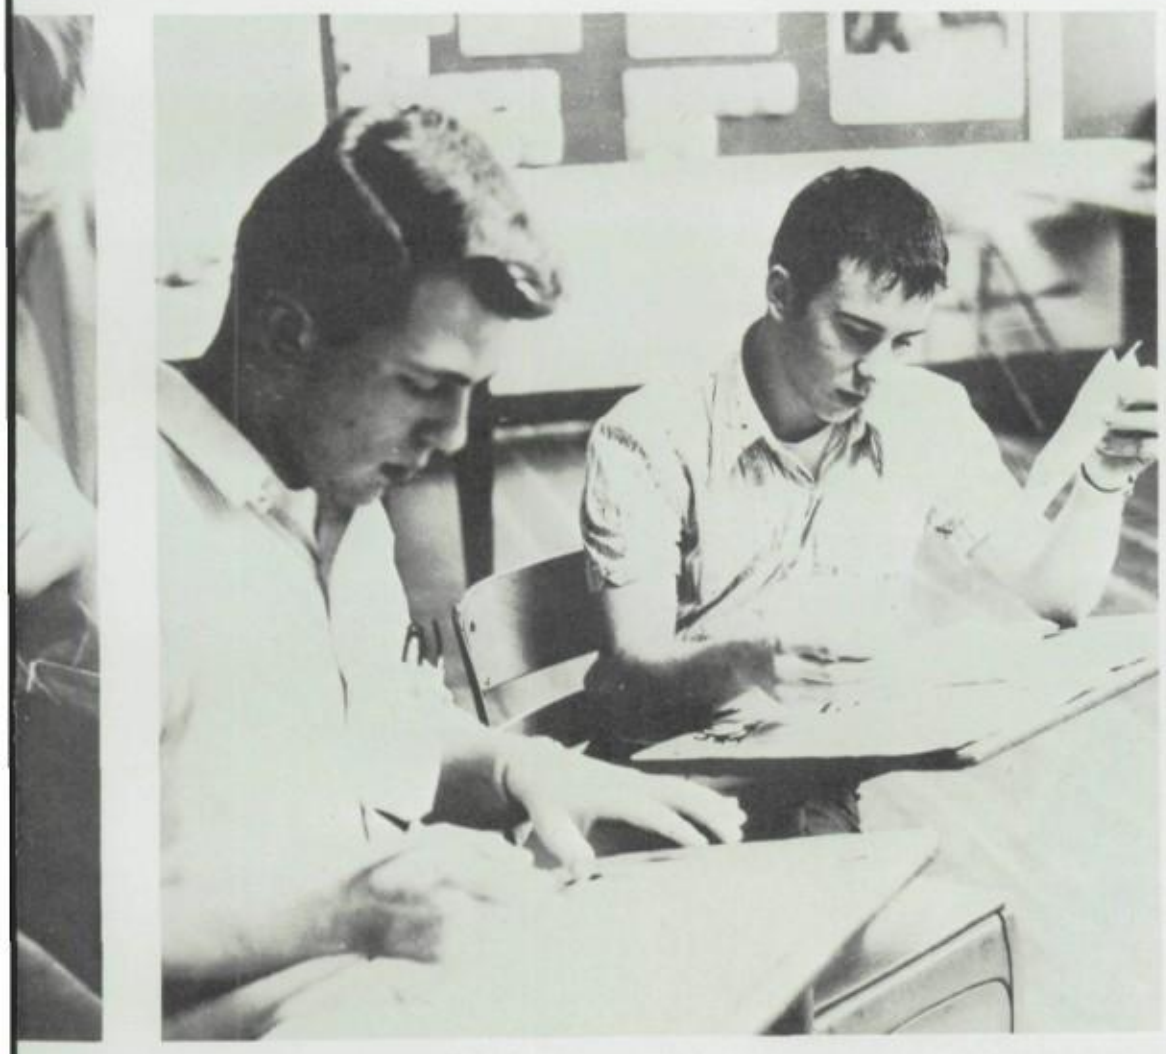
An innovation in assembly entertainment came this past year. Two plays, "Father for Christmas" and "Belvedere were presented to the students in two separate afternoon performances. These were well received.

Basic and advanced Television Production were included in the departmental offerings. Two productions of "Serendipity", a puppet show, were shown on Channel 11. This show was previously given to the primary school students. "Father for Christmas" was also televised.

Drama I classes concentrated on acting. Five plays in Readers Theater were completed. This was the first year heavy interest was shown by Freshmen.

Hard working Stage Craft students not only learned the techniques of stage settings, but created settings for all plays, style shows, and special assemblies. Robert Morton is instructor.

Above left, Patty Wells proves herself to be a proficient technician in the TV studio. Above right, Mike DeBois says "we're on the air for KEPH" during a noon disc jockey program. Above, Debbie Wells creates a well-dressed puppet for a drama show class.



Copy Writers Keep Us Informed

Our school publications kept us informed on current happenings and told the story of the year.

The Talon staff had a course of study which linked vocational training with academic preparation for college work in journalism. An attempt was made to prepare the students for work or study in the field of journalism. Editors were Denise Bateman and Linda Piazza. Adviser was Mr. Ware.

The yearbook class had as its initial problem selling advertising to help support the cost of the book. Studying the costs of production and methods of selling came first. The study of page design and copy writing was coupled with criticism of our yearbook and those of other schools. Keeping a record of the year's happenings and putting them together in a meaningful way was the task of the entire staff. The editors were Linda Hansen and Kathy Farris. Their adviser was Mrs. Shute.

Above, The Talon staff, left to right seated, Denise Bateman and Linda Piazza, editors, Jim Kingery, Deter Shulz, Jim Burgess and Ray Finch. Standing, Steve Hopkins, Anita Munoz, Kim Horn, Debbie Lanterno, Debbie Phillips, Debbie Nordmann, Mrs. Thomas, adviser Mr. Ware, and John Meeker. Below, Worrying out their yearbook problems are business manager Bryon Hackett and Ed Chastain.

Business

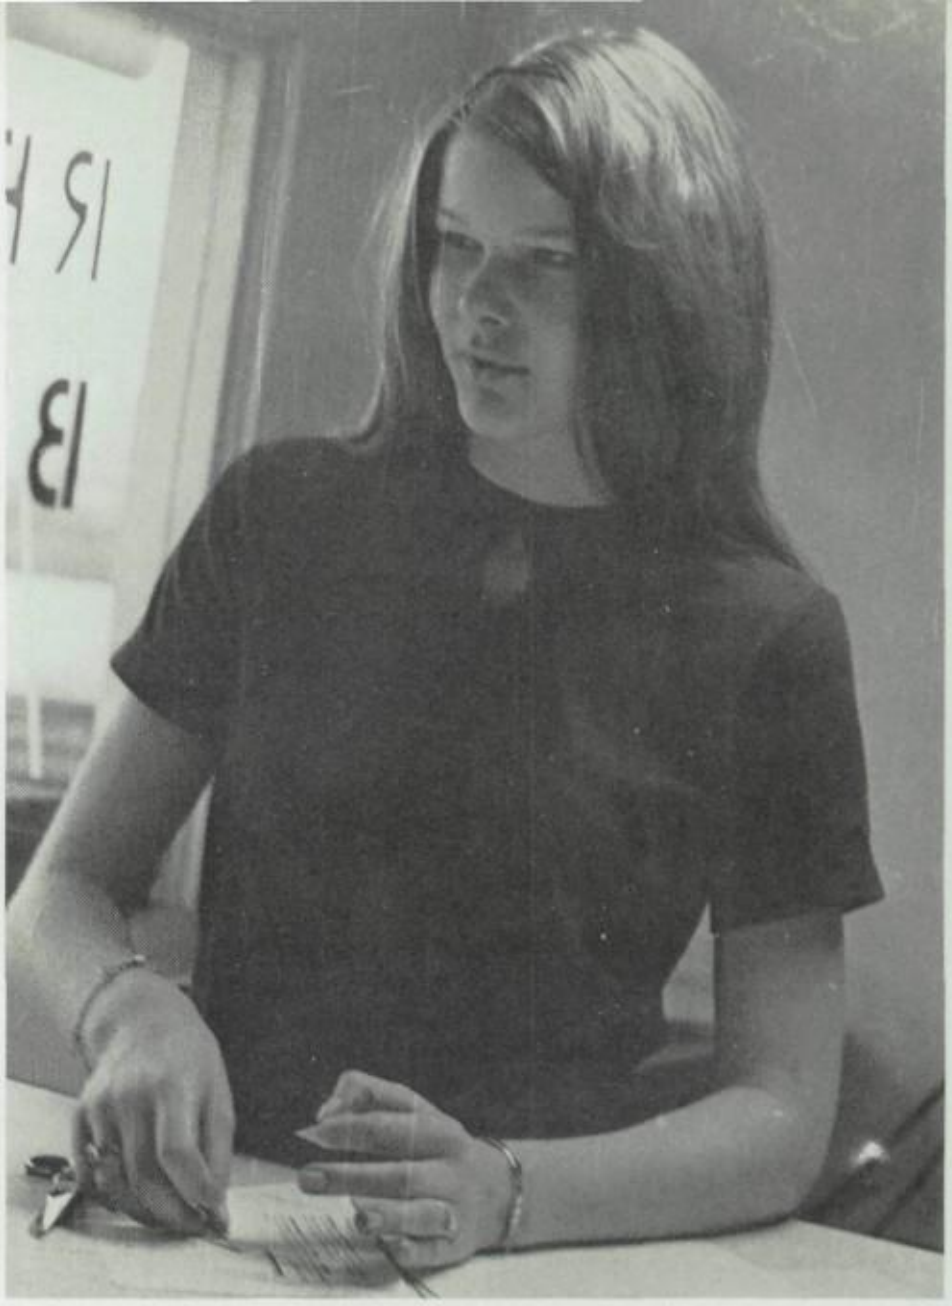
Work Experience Opens Doors

The emphasis this past year was on practical work experience Business Department chairman Mr. Haugen, reported that there were thirty-eight students enrolled. The program involved practical training all over the state. The student had his choice of seven career clusters, which included, Typing, Shorthand, Marketing, Office Practice, Recordkeeping, Building Constructions, and Diversified Occupations.

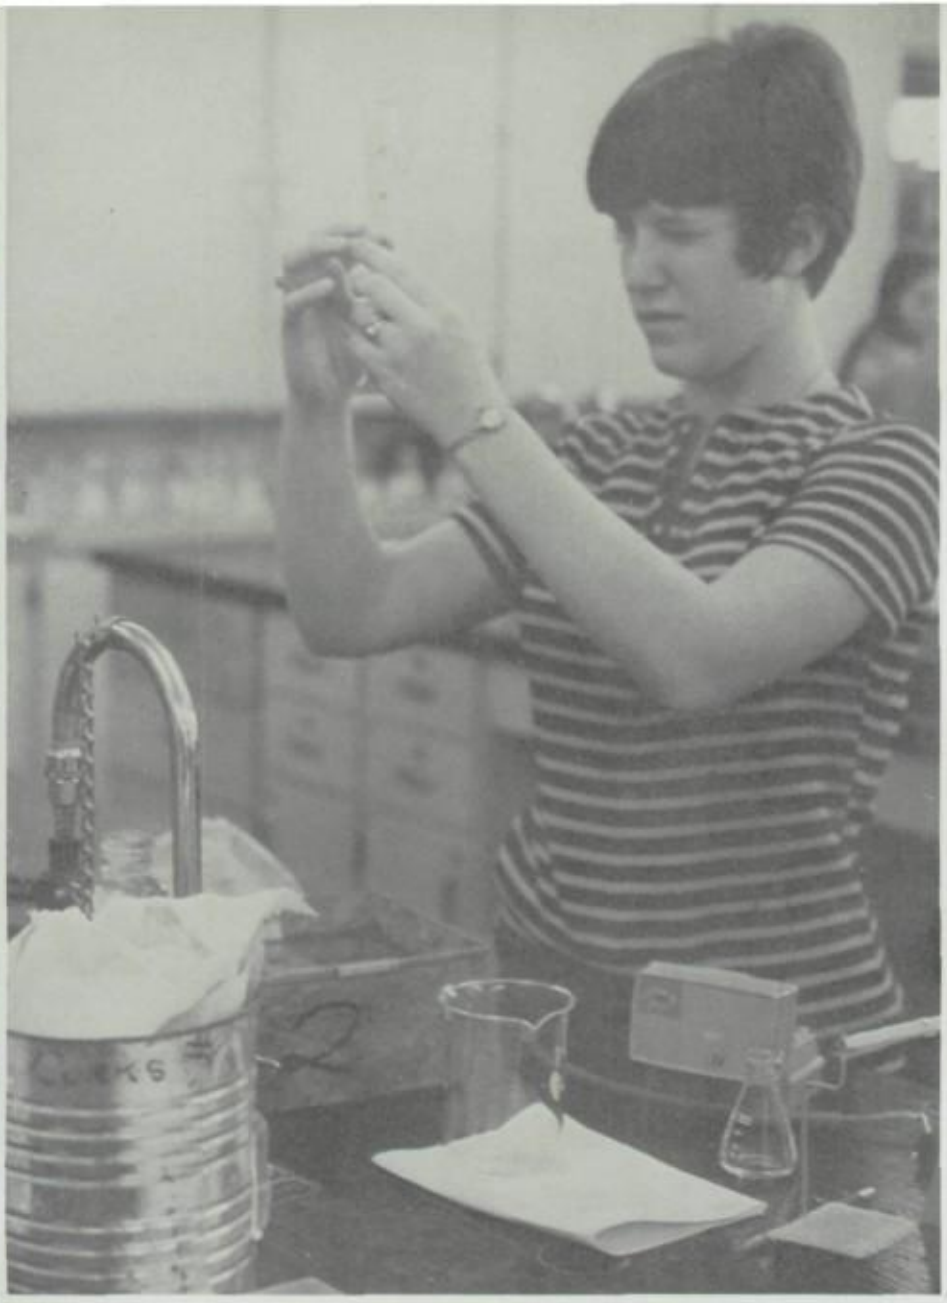
Some of the places individuals worked, were: Sears, Robinson's, Doctors' Offices, Trailer Parks, Real estate offices. Public establishments included, County, and School offices, Grocery stores, meat markets, hardware stores, etc.

A jury trial concerning marijuana charges, was an interesting experience for Shorthand classes last winter. This gave practical experience for students enrolled in stenography.

Mike Goin was new in the business department this past year. He taught Recordkeeping, Typing, Bookkeeping, Office machines, and data processing.



Above, Kathy Farris finds real-estating an interesting occupation in the Work Experience program. Below: Puzzling, Sheila Nelmes tries to figure out how Terri Barrett is so nifty at filing.



Fascination Leads To Discovery

Last year the science classes did a lot of discovering through the new science courses offered. Among them were Animal World, 1,000,000 Years B.C., Man's True Story, Science of the Ocean, How Life Begins, and Outdoor World. These courses were offered in place of advanced biology. Mrs. Patricia Hansen and Mr. Ron Toombs were the instructors. Mrs. Hansen was also department head.

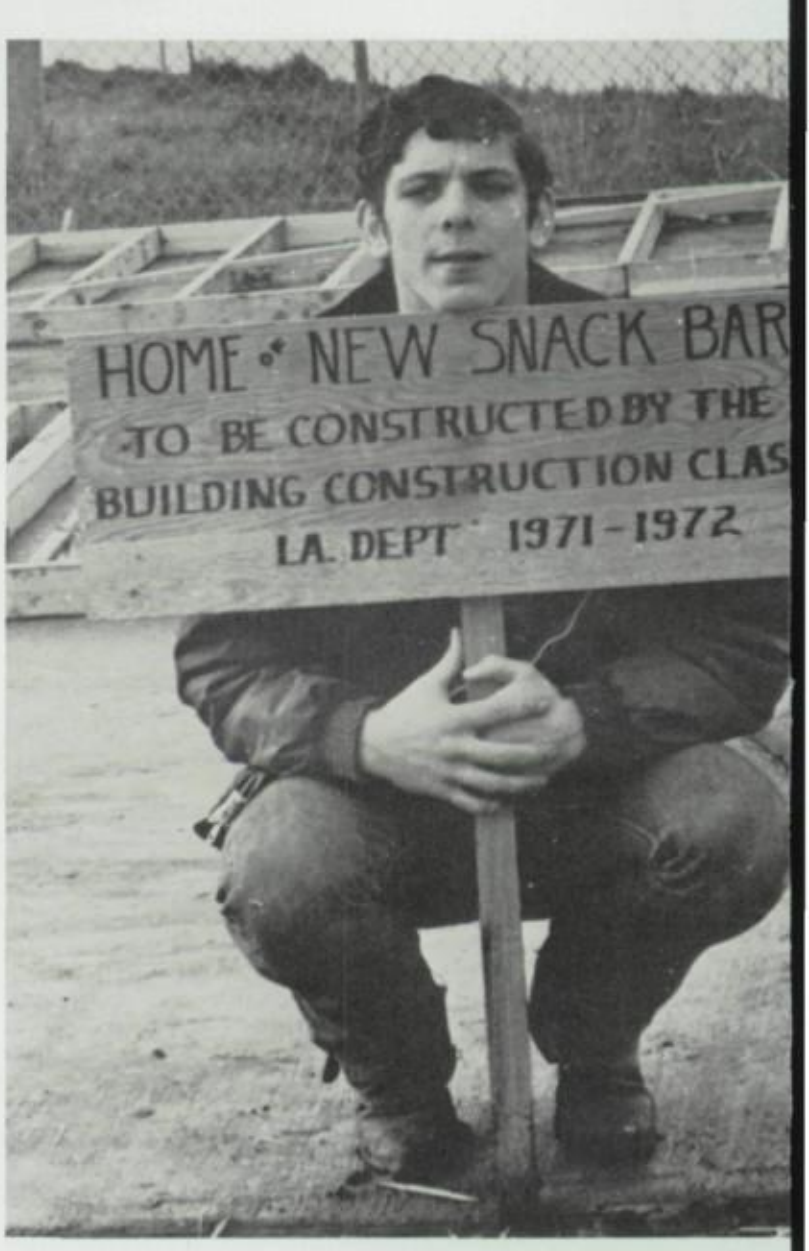
Mr. Lee Trippet was new to the Science Department. He taught Physics, General Math, Basic Electronics, and Science Seminar. Beginning and Advanced Chemistry were taught by Mr. David Marsh.

Above, Einstein perhaps? Well, maybe not quite, since Mylinda Smith seems to be having a problem with her experiment. Below, Paul Curtis, Rocky Muse and Greg Winner find something interesting under their microscope.

Vocational Agriculture

Students "dig" Greenhouse

The big news in Vocational Agriculture was the addition of horticulture a subject. The building of a green house was undertaken as a class project. The structure was completed in the fall. With a green house to use as lab, students were able to follow the growth patterns of plants from seeding to the final bloom. Both boys and girls were in the class. A new instructor is Mr. Mike Bowles, Mr. Melvin Morris is head of the department. There are approximately 220 students enrolled in this department.



Above left Susan Stanley, Janet Hannaford, and Rick Northrop work in the greenhouse, built by the Vo. Ag. Department. Above, all alone in her own little corner, Debbie Lonning touches up her welding project with a feminine flair. Lower Right, Bill Mayfeild announces the future snack bar being built by the shop department.

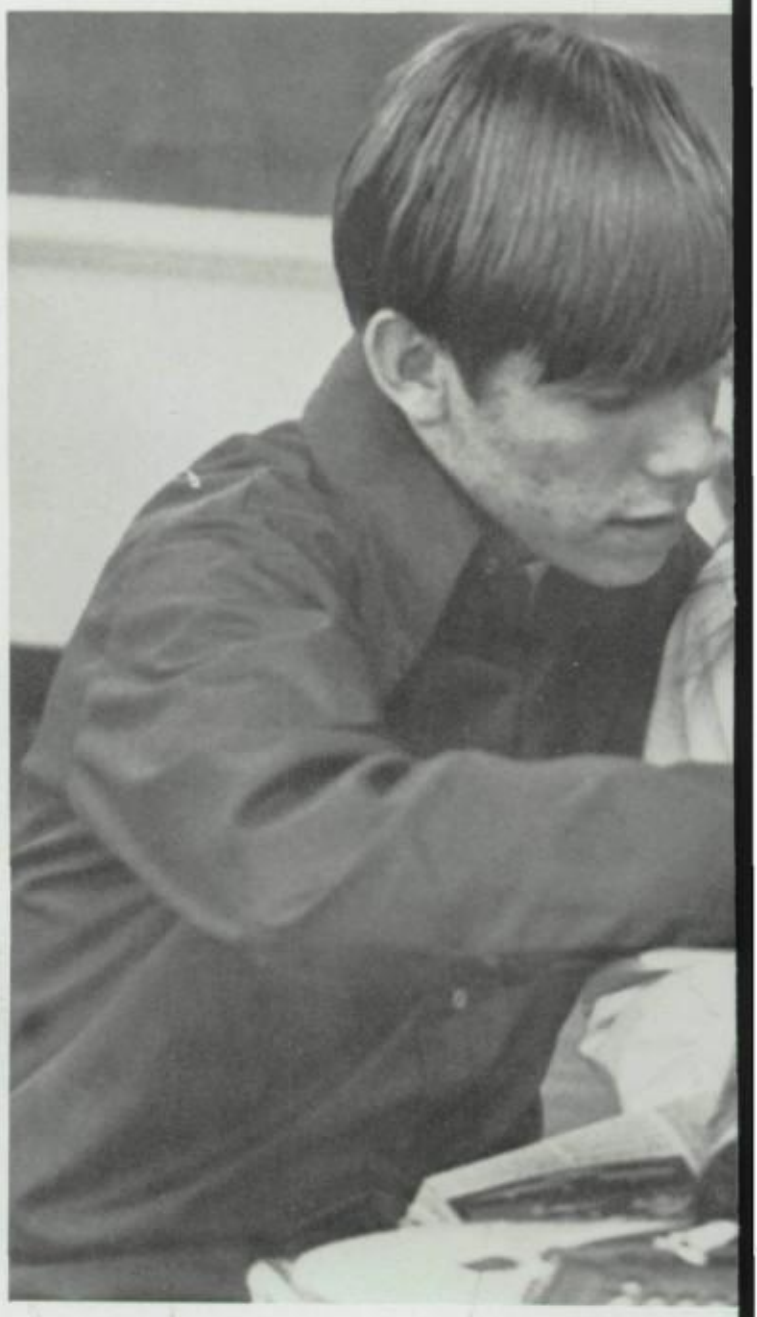
Carpenters Tackle Projects

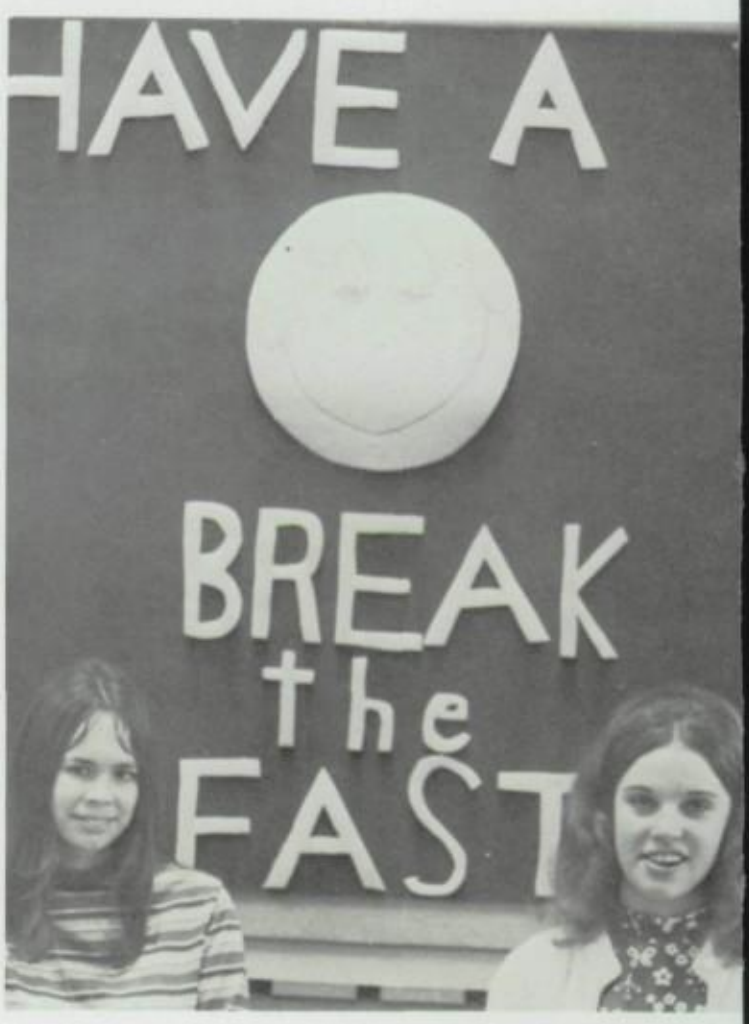
The Wood Shop department took on the big project of building a snack bar on the football field. It was started in late fall and completed in the spring. Taking time to do this as well as working on their individual projects kept the students to a close schedule. The individual projects were shown at the Spring Shop Show.

Before attempting any building project, students were instructed in drafting for a semester. The best of the drafting examples are also shown at the Spring Show.

Mr. Don McGovern is Shop instructor and Mr. Leif Ostmo is drafting teacher.

Upper right, Mike St. George is trying very patiently to fit a shelf. Above, "whistle while you work" appears to be the philosophy held by Bill Owens in the Shop Department.





Above, "Happiness is," putting a sleeve in right side up, Smiles Wendy Rush. Above right, Family Living teaches John Meeker and Nancy Lehman a lesson in economics. The "wish book" provides a wide variety of home furnishings.

Home Economics

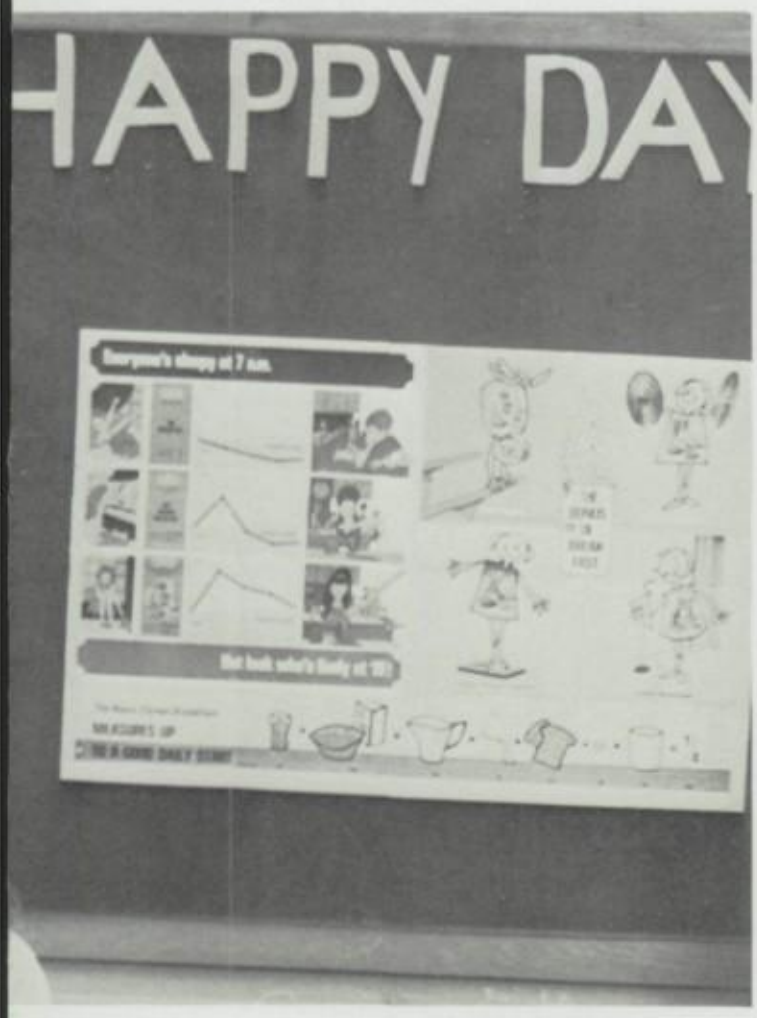
Where Do We Begin

A good place to begin training as a homemaker is in the Home Economics department. Home Economics students learned about sewing with popular knits and stretches. The clothing units in lower classes dealt with structure and texture.

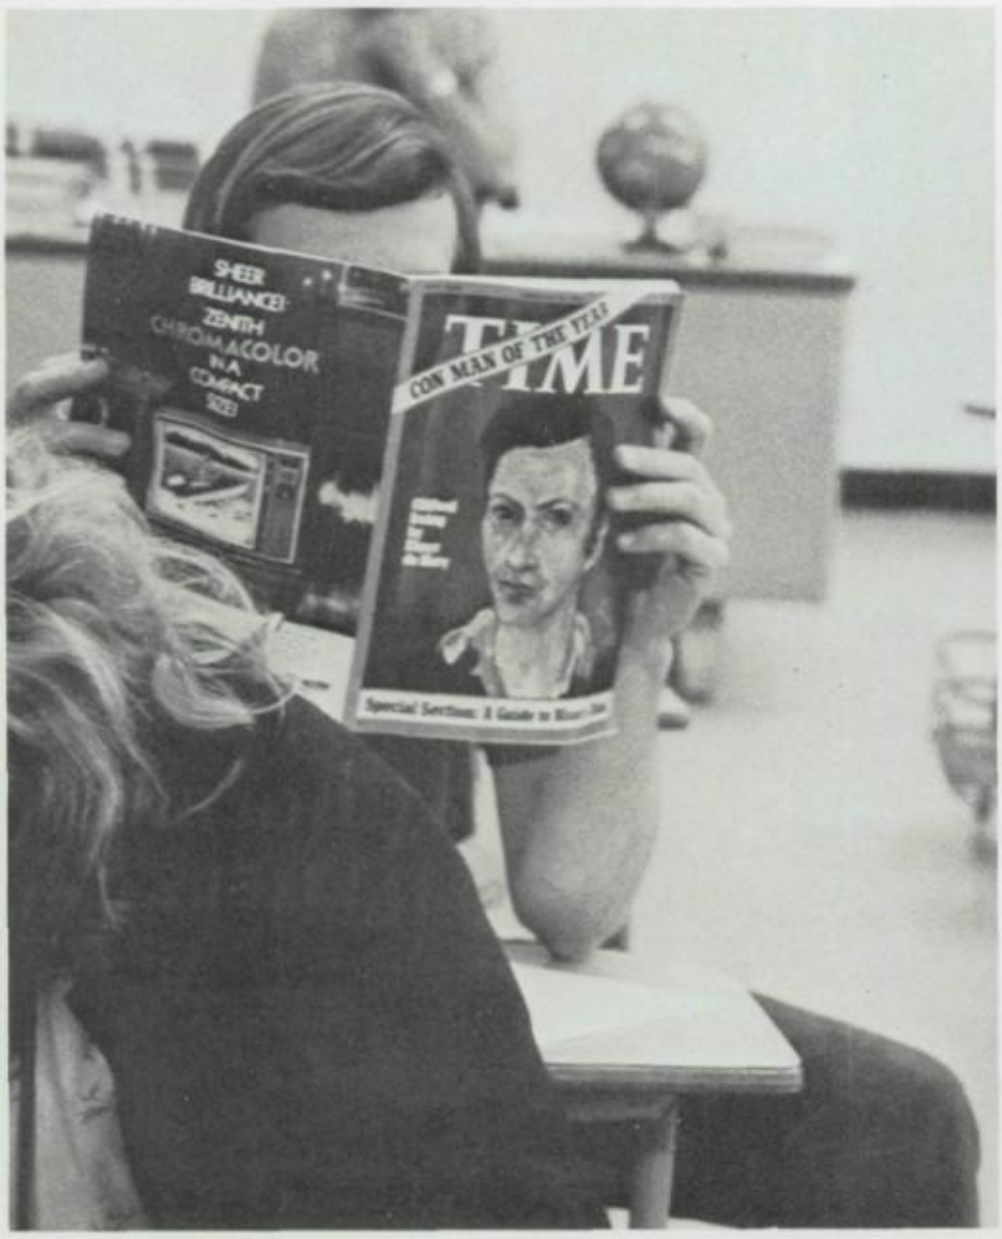
Food preparation classes were provided for all grade levels. A special activity for Seniors was choosing a meal from a different country each week. These meals proved to be unusual and delicious.

A new and exciting touch was added this year. The Senior Vo-Ag guys switched with the Senior girls for two weeks. Home Ec. girls learned about such things as electronics and plumbing while their male counterparts learned bachelor cooking and home management.

Family Living served as a class where Seniors can communicate and learn to understand marriage and household problems. They learned also about the laws of Oregon in conjunction with marriage and homemaking.



Top right, Debbie Dusenberry enjoys serving punch at the Christmas party sponsored by Juniors in Home Ec. Above left, Loraine Carlton and Linda Anderson smiled over a job well done. Above right, Steam rises from a delicious brew conjured by Dorie Kristoff and Debbie Kettering.



Building a Better Way To See The USA

In with the new, and out with the old. Well, part of it anyway! As long as time goes on, the ways of education must change and expand.

Our Math department drew up plans for such changes. The plans included not only bringing in new classes, but trying for a two-year required program.

In past years math has been required only one year, but our administration felt there was a need for more math.

One of the suggested new courses was a business math course. Another was a survey math program which would take in Algebra, triginometry, and geometry.

Mr. William Hall was chairman of the department. Others teaching math were, Mr. Gary Bernhart and Mr. Leif Ostmo.

Above, representing "Only Yesterday", Bobbie Caswell catches on quickly to the beat of the twenties. Above left, Richard Woodville becomes absorbed in today's world happenings.

(above) "This is only part of what we have to offer," comments Mr. Hall.

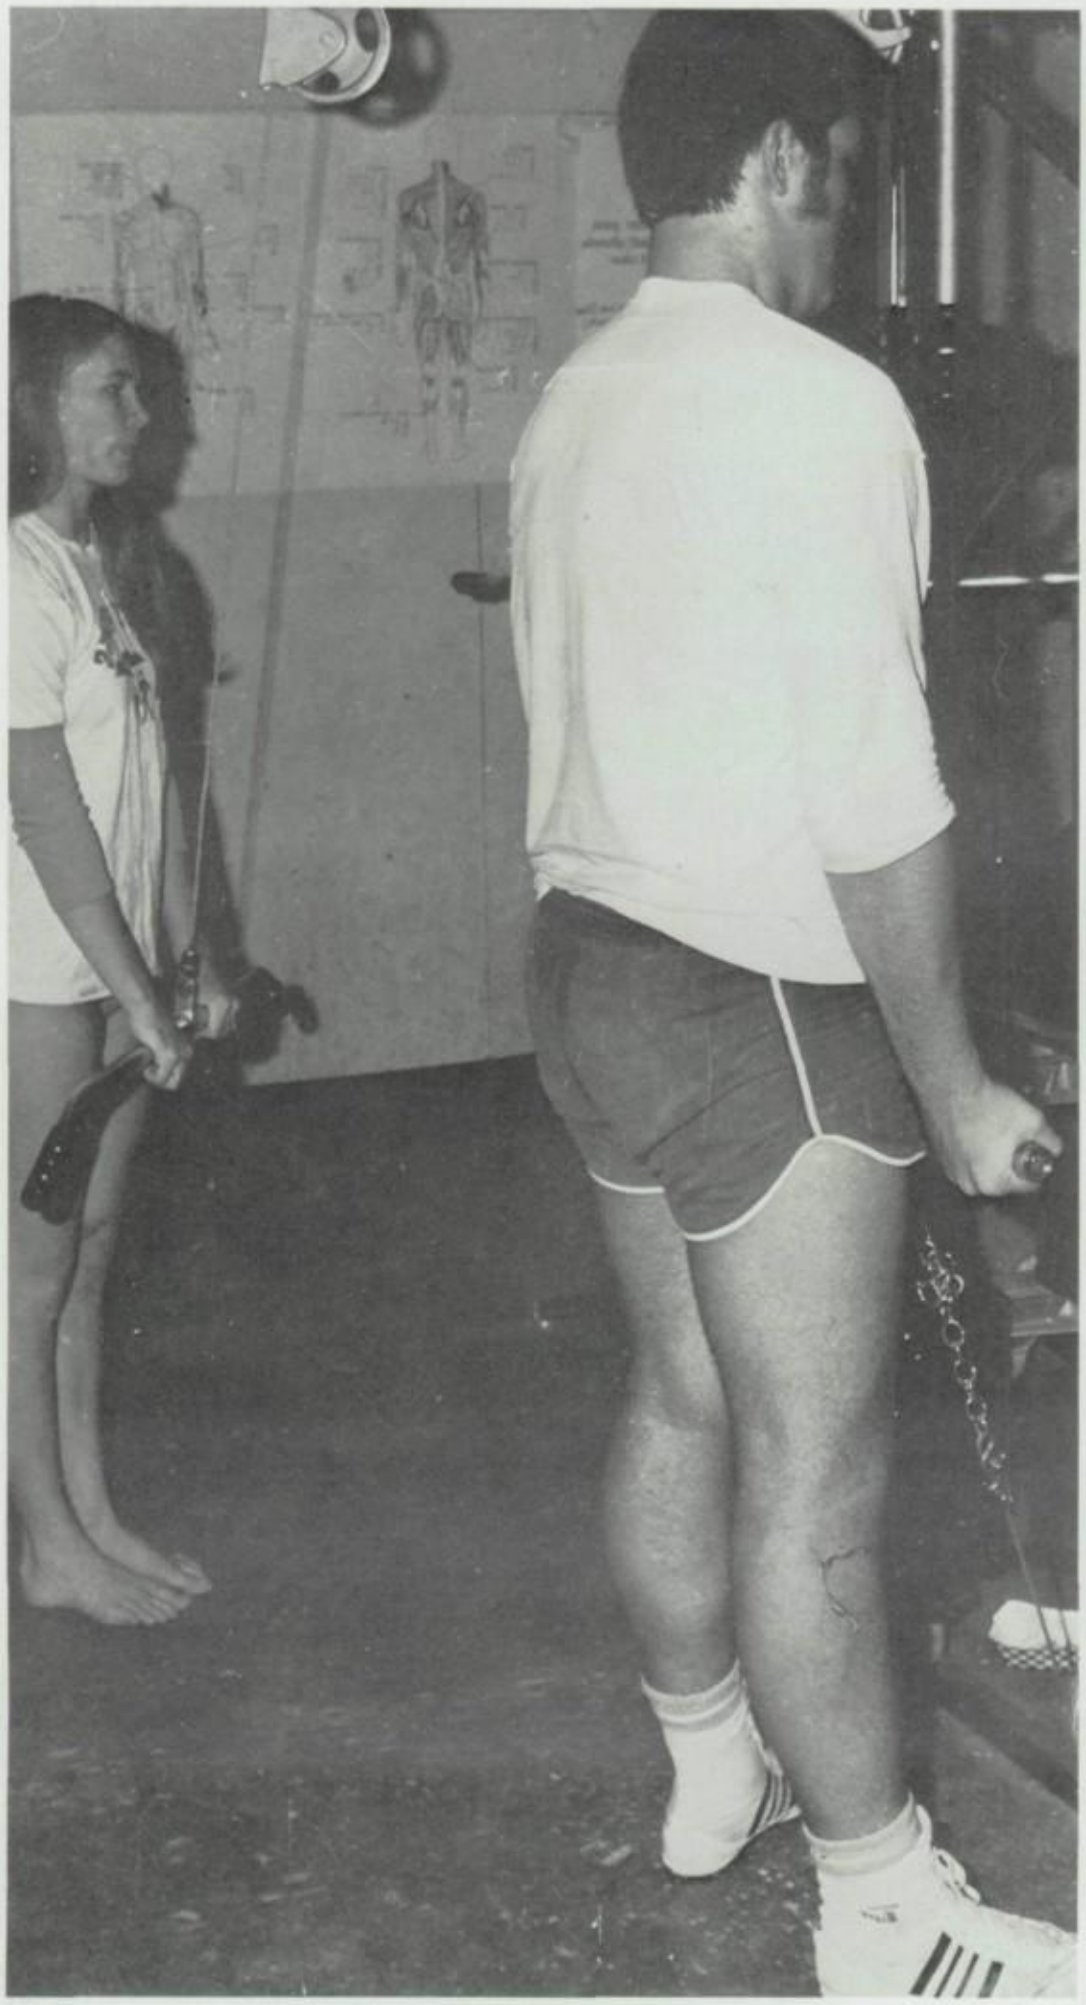
This is a "I just dare you to give us a test" look from Steve Hefley.

There'll Be Some Changes Made

Field trips, guest speakers, and new classes, these were a few of the many interesting happenings in the social science area.

Social Science is a fast-progressing subject. New areas are being opened each year at Eagle Point High School. One such area is that of the development of laws. It is called "Jurisprudence." Another class also opened was "The U.S. Two Party System." A few of the other classes were "American Indian," "Negro in America," "Frontier in American West," "Only Yesterday," and "Growth of Southern Civilization."

Physical Education



Above, Phil Cam and Darlene Barton develop their arm strength on the Universal Gym. Above right, Ken Grayson and Kim Horn have a jump ball as the class waits eagerly for the outcome. Right, Linda Bartle shows her class how the seat drop is done. Far right, Laurie Trautman works out on the Universal Gym with an assist from Darlene Barton.

P.E. Stresses Fitness

Fitness of the arms and upper body were emphasized in Boys P.E., by means of gymnastics and boxing. Girls P.E. stressed team sports which included volleyball, basketball and badminton. Also included was gymnastic instruction.

A new addition to the faculty was Mr. Al Simpson. He taught physical education and health education in several schools including Southern Oregon College. He was most recently at Cottage Grove where he taught for 18 years. He also held the position of head football coach and Frosh basketball coach.

Also teaching Boys P.E. along with Mr. Simpson was Mr. Doyle Bransom, who was also a football coach.

Instructors for the girls were Mrs. Lorraine Hall and Miss Linda Kesling. Mrs. Hall coached basketball, gymnastics, and track. Miss Kesling also coached gymnastics and track, and teaches Human Relations.

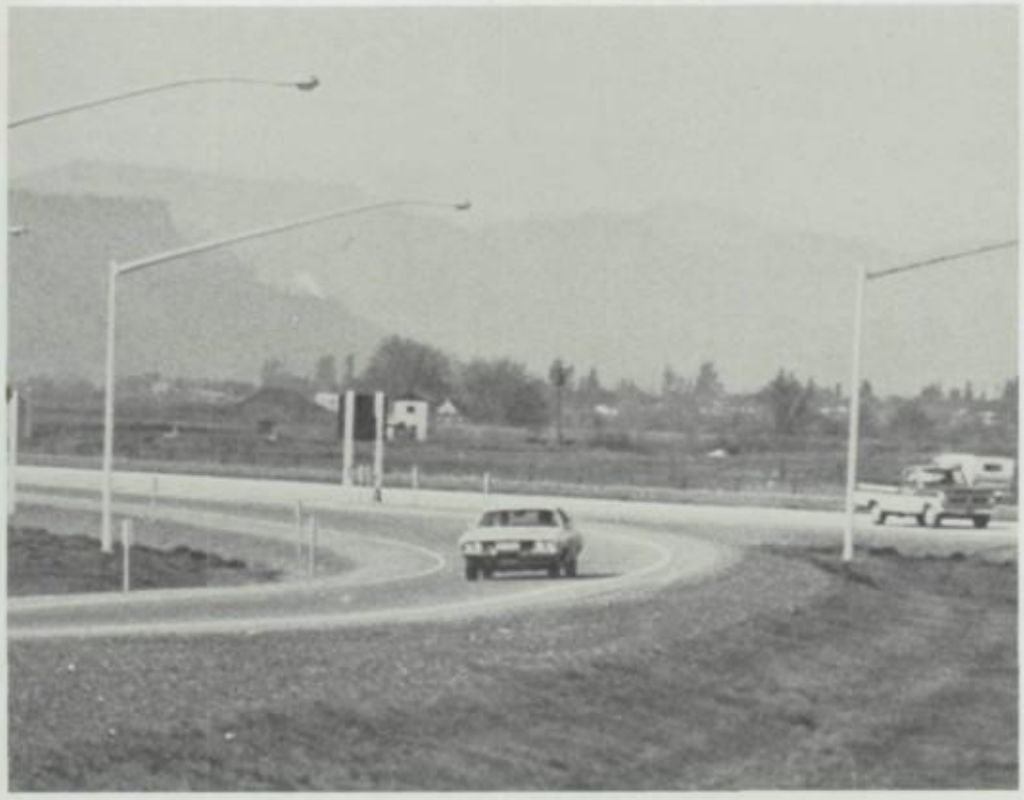
EPHS Greets Student from Mexico

Spanish and French were alive and well at EPHS. In each language there were four levels of study.

The first two years introduced a broad vocabulary. This was done through a study of the people, the geography, and the history of the country. Advanced levels were offered selections from the literature, history, and contemporary life of the country studied.

Skits and traditional meals were prepared to bring the language into real life situations. Probably the most exciting addition to the language department was Rosa Valdez, a student from Monterrey, Mexico.

Above left, Roger Harnish and Penny Lockerby act out a French skit, which takes place in a restaurant. Above right, Lois Collier and Anthony Woodville watch as Monica Worth gives Murray Peck the food for a French picnic. Above, one of the advantages of a sunny day is having Spanish class outside. Enjoying the sun are, clockwise, Mrs. Nahoe, Patsy Vidotto, Patty Work, Skip Davidson, Rosa Valdez, Melissa Waugh, Starla Gustufson, and John Murdock.



The Driver Education car is spotted as it takes an exit off Interstate 5. Freeway Driving is experienced by all Driver Ed Students.

An eager driver gets ready to put her skills to work.

Driver Education

Drivers Hit The Road

"Putting on the miles" is the business of Driver Education. The course includes 30 hours of classroom work and 6 hours of driving. Teaching road courtesy as well as the mechanical details was the responsibility of instructor Mr. Fred Herrmann.

The cars driven this year were a 1972 Chevrolet Impala and a 1972 Plymouth Fury III.

Art

Try It, You'll Like It

The art department started off the year with a bang with the starting of the Art Club. It's a new organization created by the art department.

At the annual art show in May students demonstrated their artistic talents in Jewelry, Pottery, and Photography. Also displayed were other projects from each of the four levels of art taught. Mrs. Connie Appelgate and Mr. Charles Henderson were the instructors.

Sue Irving watches as Mrs. Appelgate gives her some helpful hints on glass cutting.

Jon Berryman cracks a smile as the cameraman catches him centering his pot.

This joyous-looking group is non-other than that of the "Go Europe Choir". They will be touring Europe this summer.

Say It With Music

Uppermost in the minds of vocal music students was the "Go Europe" tour planned for the summer of 1972. This trip was planned in cooperation with the American Heritage Association. Thirty students were included in the concert tour of seven countries. The choir instructor is Mr. Charles Martin.

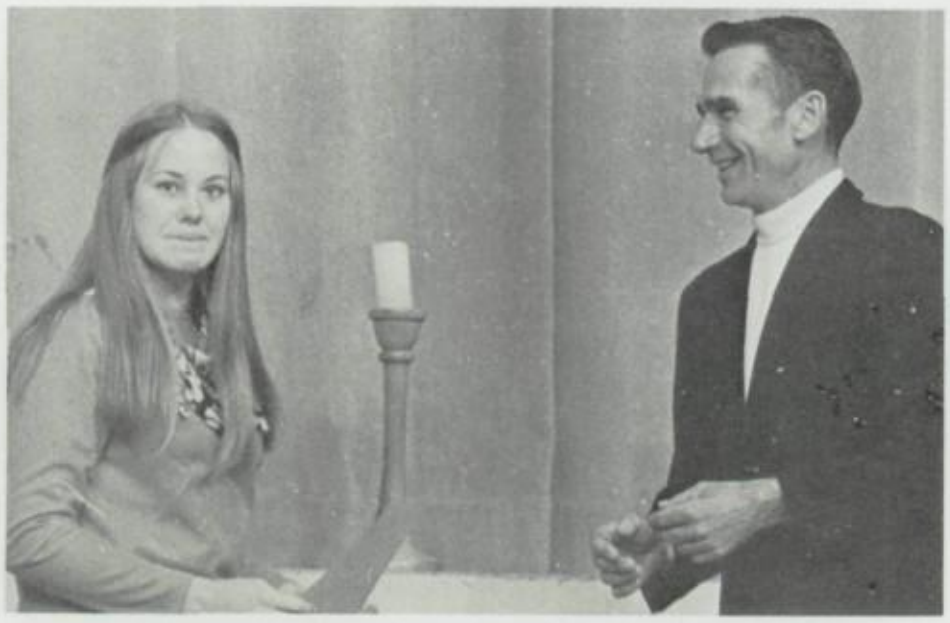
Adding to the year's musical activities were concerts, vocal and instrumental and parades for the marching band. There are approximately 60 members in the band. They presented colorful half-time entertainment for football games. Band instructor is Mr. Keith Krambeal.

Velda Harper gets a little help from a fellow band member as Mr. Krambeal checks the schedule.

The dreamlike figures in this picture are those of the Eagle Point Band. Celeste Krambeal and Dolores Henderson pick up the melody.

Awards Night

An amazed Janet Affolter accepts the Oregon School of Employee Scholarship from Mr. Bellerue.



Janice Shaw gets the perfect attendance award for the third year running.

Embarrassed Mike Arnold accepts the "I Dare You" award from Mrs. Smith.

Citizenship awards went to Laurie Trautman, Ed Chastain, and Janet Affolter.

Bryon Hackett accepts a perfect attendance award from Mr. Sutherland. Bryon missed only one half day in his entire high school career.

Carolyn Mathis and Buck Babb smile proudly as Mr. Henkle announces them the outstanding speakers.

Sheila Nelmes accepts the "I Dare You" award for the girls, from Mrs. Smith.

Vecie Hall accepts one of her many awards from Mrs. Gang. This one was for being an outstanding Senior student.

Students Honored at Awards Night

For the first time the academic awards were presented in the evening. Usually it is held during school hours. It was held at night so parents of the students receiving awards could attend. It was held Tuesday, May 23.

Steve Casey begins his noontime disc jockey show on KEPH

Annual editors Kathi Farris and Linda Hansen are enjoying a coke after a long hard day of selling ads.

Top: Millie Hicks and Julie Spahr are studying an old annual for new ideas. Above: Laughing over their page layout are Bonnie McMillan and Sheryll Smith.

Dear Reader:

Another year has passed. We hope our efforts throughout the year will bring back precious memories that might have otherwise been lost.

The major task faced by the staff this year was developing the theme "We make our own kind of music." Trying to please everyone and learning to communicate ideas was our goal this year and we hope we achieved it.

We would like to give our thanks and appreciation to the members of the staff, our photographers, and our devoted advisor, Mrs. Patricia Shute.

Telling the story of 1972 took many struggling hours and we hope you enjoy the reading of it as you enjoyed the living of it. We have truly made our own kind of music.

Thank you,

Kathi Farris
Linda Hansen

Roger,
You're a really cool guy and a great friend. I'm sorry for all the fights we've ever been in. I hope we can become alot closer cause I like you alot.
Love,
Marlene

To Roger,
The sweetest, cutest, guy my size. I guess we are going to have to get togather again real soon and have some more fun like we use to.
love ya lots
Linda

To Roger
Have fun in the future and try to leave the girls alone too! Have enjoyed having you as a friend in 9th grade

Roger, you're really a cool and I like you a lot and you can really stay on my good. Not your ur ought to go for the Harold's house. But that time I was grounded and just had to take my brother to baseball practice. Sure hope you have fun in the next few years of school & longer because your really cool. have lots of fun at the dances this year and stay out of trouble. And I'll probably talk to you if you're by yourself.

Good luck forever.

Love ya always

Jennifer

Roger,
You're been
my Friend.
for a long time.
I hope it stays
that way. Don't
ever get like
Bob or Hank
way you are.
Lots of

Roger,

Well, we're big sophmores now, but our talks in 7th + 8th grade seem like yesterday. Good Luck in everything you do cause I know you can do anything if you try.

Luv,
DeAnne

Roger,

You a very special person to me Father you just do it or not. We've had our ups + downs. Yeah both have maybe we can again (dance) drunk. Well I hope every thing goes perfic for you for ever. Lets always remain friends. Gott Bless

Love Ya
Always
Debs

Roger,
To one of the
best old friends
since I have gone
to school at E.T.
I think you and I've had
friends all our lives even when we're
little old ditty men 70 year old.
Your best lil partner
